(2) A summary of the services to be provided.

(3) A description of the coordination planned with the appropriate State or local health agencies, State and local governments and Indian Tribal Authority applicants are not subject to the Public Health System Reporting Requirements. PHS Non-use of Tobacco Policy Statement: The PHS strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Executive Order 12372: Applications submitted in response to the FY 2002 activity listed above are subject to the intergovernmental review requirements of Executive Order 12372, as implemented through DHHS regulations at 45 CFR Part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. A current listing of SPOCs is included in the application guidance materials. The SPOC should send any State review process recommendations directly to: Division of Extramural Activities, Policy, and Review, Substance Abuse and Mental Health Services Administration, Parklawn Building, Room 17-89, 5600 Fishers Lane, Rockville, Maryland 20857.

The due date for State review process recommendations is no later than 60 days after the specified deadline date for the receipt of applications. SAMHSA does not guarantee to accommodate or explain SPOC comments that are received after the 60-day cut-off.

SUPPLEMENTARY INFORMATION:

Title: 30 CFR part 243 Suspensions Pending Appeal and Bonding (formerly titled "Filing Sureties").

OMB Control Number: 1010-0122.

Bureau Form Number: Forms MMS-4435 and MMS-4436.

Abstract: The Department of the Interior (DOI) is responsible for matters relevant to mineral resource development on Federal and Indian lands and the Outer Continental Shelf (OCS). The Secretary of the Interior is responsible for managing the production of minerals from Federal and Indian lands and the OCS, collecting royalties from lessees who produce minerals, and distributing the funds collected in accordance with applicable laws. The Secretary also has an Indian trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. MMS performs the royalty management functions for the Secretary.

Regulations in 30 CFR part 243 allow lessees, designees, or payors who can

demonstrate that they are financially solvent to stay the effectiveness of an MMS order or decision without posting a surety instrument (Federal leases only). For those who are not financially solvent or for appeals involving Indian leases, MMS requires that a surety instrument be posted to secure the financial interests of the public and Indian lessors during the entire administrative or judicial appeal process. A surety instrument is a formal guarantee of payment in case of default. MMS accepts the following types of surety instruments:

- Form MMS-4435, Administrative Appeal Bond;
- Form MMS-4436, Letter of Credit;
- Certificates of Deposit; and
- U.S. Treasury Securities.

This information collection covers the hour burden associated with submitting annual audited financial statements or the surety instruments listed above. Submission of the information in this collection is necessary to stay the effectiveness of an MMS order or decision issued for a Federal and Indian property. Proprietary information that is submitted is protected, and there are no questions of a sensitive nature included in this information collection.

Frequency: On occasion.

Estimated Number and Description of Respondents: 300 Federal or Indian lessees.

Estimated Annual Reporting and Recordkeeping "Hour" Burden: 300 hours.

If you timely appeal an order, and if that order or portion of that order requires you to make a payment, and you want to suspend compliance with that order, you must post a bond or other surety instrument or demonstrate financial solvency * * * If you must meet the bonding or financial solvency requirements under § 243.4(a)(1), or if another person is meeting your bonding or financial solvency requirements, then either you or the other person must post a bond or other surety instrument or demonstrate financial solvency within 60 days after you receive the order or the Notice of Order * * * If you assume an appellant's responsibility to post a bond or other surety instrument or demonstrate financial solvency * * * you must notify MMS in writing * * * that you are assuming responsibility * * * <i>Federal leases</i> . If the amount under appeal is \$10,000 or more, MMS will suspend your obligation to comply with that order if you (i) Submit an MMS-specified surety instrument under subpart B of this part within a time period MMS prescribes; or (ii) Demonstrate financial solvency under subpart C. <i>Indian leases</i> . If the amount under appeal is \$1,000 or more, MMS will suspend your obligation to comply with that order if you submit an MMS-specified surety instrument under subpart B of this part within a time period MMS prescribes. If your appeal is not decided within 1 year from the filing date, you must increase the surety amount to cover additional estimated interest for another 1-year period. You must continue to do this annually on the date your appeal was filed * * * For us to consider you financially solvent, the business-information or credit-reporting service or program must demonstrate your degree of risk as low to moderate. If our bond-approving officer determines that the business-information or credit-reporting service or program information does not demonstrate your financial solvency to our satisfaction, our bond-approving officer will require you to post a bond or other surety instrument under subpart B or pay the obligation * * * If our bond-approving officer determines that you are no longer financially solvent, you must post a bond or other MMS-specified surety instrument under subpart B.	1	200	200

If your net worth, minus the amount we would require as surety under subpart B for all orders you have appealed is less than \$300 million, you must submit * * * a written request asking us to consult a business-information, or credit-reporting service program to determine your financial solvency; and a nonrefundable \$50 processing fee. To comply with the public consultation process, on January 14, 2002, we published a **Federal Register** notice (67 FR 1781) with the required 60-day comment period announcing that we would submit this ICR to OMB for approval. Therefore, to ensure maximum consideration, OMB should receive your comments by June 3, 2002. The PRA provides that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.
