

Enclosure: Transmittal No. DTC 028-02
 United States Department of State
 Washington, D.C. 20520, April 12, 2002.
 The Honorable J. Dennis Hastert, Speaker of
 the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Turkey of technical data, defense services and defense articles for the manufacture of the X1100 transmission for use in various armored vehicles of the Turkish Land Forces.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
 Paul V. Kelly,
Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DTC 029-02
 United States Department of State
 Washington, D.C. 20520, April 12, 2002.
 The Honorable J. Dennis Hastert, Speaker of
 the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Japan of technical data, defense services and defense articles for the manufacture of Aircraft Fuel Control Devices for end-use by Japan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
 Paul V. Kelly,
Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DTC 032-02
 United States Department of State
 Washington, D.C. 20520, April 15, 2002.
 The Honorable J. Dennis Hastert, Speaker of
 the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense

services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the temporary export of one (1) EchoStar IX commercial satellite for launch into geosynchronous orbit from international waters by Sea Launch.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
 Paul V. Kelly,
Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DTC 013-02
 United States Department of State
 Washington, D.C. 20520, April 15 2002.
 The Honorable J. Dennis Hastert, Speaker of
 the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export to Japan, France and Canada of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and assistance for the BSAT-2c commercial communications satellite for launch from French Guiana.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
 Paul V. Kelly,
Assistant Secretary, Legislative Affairs.

Enclosure: Transmittal No. DTC 015-02
 United States Department of State
 Washington, D.C. 20520, April 15, 2002.
 The Honorable J. Dennis Hastert, Speaker of
 the House of Representatives.

Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Technical Assistance Agreement with Bulgaria.

The transaction described in the attached certification involves the transfer of naval architectural and marine engineering services to Bulgaria for the basic and detailed development of a multi-mission corvette to the Bulgarian Ministry of Defense.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
 Paul V. Kelly,
Assistant Secretary, Legislative Affairs.

Coast Guard

[USCG-2002-12187]

Chemical Testing; List of Drug Testing Service Agents

AGENCY: Coast Guard, DOT.

ACTION: Notice; request for submissions.

SUMMARY: The Coast Guard receives numerous daily inquiries from mariners asking for the location of drug testing centers that will satisfy the USCG chemical drug testing requirements for licensing or Merchant Mariner Document (MMD) transactions. The Coast Guard wants to identify for mariners those service agents who provide a complete drug test service and to make available to merchant mariners a list of those drug testing service agents. The list would assist mariners in locating a drug testing service agent.

DATES: In order to be included on the initial listing, submissions should be received no later than June 17, 2002.

ADDRESSES: Submissions should be mailed to: Robert C. Schoening, Drug and Alcohol Program Manager, U.S. Coast Guard, Office of Investigations and Analysis (G-MOA-1), 2100 Second Street, SW., Washington, DC 20593-0001.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice, contact Robert C. Schoening, U.S. Coast Guard at 202-267-0684 or e-mail address RSchoening@comdt.uscg.mil.

SUPPLEMENTARY INFORMATION:

Background

There are approximately 48,000 mariner credentialing transactions annually that require a drug test. The Coast Guard receives numerous daily inquiries from mariners asking for the location of drug testing centers that will satisfy the USCG chemical drug testing requirements for licensing or Merchant

Mariner Document (MMD) transactions. Given the sheer volume of inquiries, the Coast Guard has determined that making available a list of service agents that provide a complete drug test service would be beneficial to mariners.

Request for Submissions

The Coast Guard wants to identify for mariners those service agents who provide a complete drug test service. A complete drug test service includes the specimen collection, analysis at a Substance Abuse Mental Health Services Administration (SAMHSA) accredited laboratory, review of the test result by a Medical Review Officer, and providing of the drug test results to the mariner. The Coast Guard proposes to develop a list of those service agents that provide a complete drug test service. Agents that provide a complete drug test service and who wish to be included in a Coast Guard list should submit a request for inclusion.

Eligibility for Listing

To be included on this list, all drug testing services offered to mariners must be done in accordance with the requirements of 49 CFR part 40.

Required Contents of Submission

To be listed, the service agent must submit:

1. Name of entity
2. Address of entity (Street address or PO box; City, State, Zip Code)
3. Point of Contact
4. Phone number
5. Days and Hours of operation
6. Geographic areas served:
 - State (if local service only is to be provided)
 - Nationwide all states, including Alaska, Hawaii, and all territories
 - International (Indicate if you offer service on an international basis. Do not submit a list of countries where service can be provided.)

Dissemination to Mariners

Mariners will be able to request a listing of service agents from a USCG Regional Examination Center (REC). Service agents will be listed by state. The mariner will receive a listing for the states requested as well as a list of agents who provide a nationwide drug testing service.

A listing by state will be made available on the Internet through a USCG web page for the Office of Investigations and Analysis, Drug and Alcohol Program Information. A mariner will be able to retrieve a listing of those service agents within a particular state or for all entities that are providing service nationally and

internationally. Each listing will have complete name and contact information for each entity listed. Listings submitted by Service Agents will be added to the list periodically.

Qualified Service Agents who wish to be included on the Coast Guard list should submit requests to: Robert C. Schoening, at the address provided under **ADDRESSES** or email to RSchoening@comdt.uscg.mil.

Service agents who are on the Notice of Suspension List maintained by the DOT Office of Drug and Alcohol Program Compliance (ODAPC) will be immediately removed from this list.

Dated: April 26, 2002.

Joseph J. Angelo,

Director of Standards, Marine Safety, Security and Environmental Protection.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Public Notice for Waiver of Aeronautical Land-Use Assurance; Jack Barstow Airport, Midland, MI

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of airport land from aeronautical use to non-aeronautical use. The proposal consists of one parcel of land, totaling approximately 17.4 acres. The property will be commercially developed, although no specific use has been identified. There are no impacts to the airport by allowing the airport to dispose of the property. The land (Parcel Number 1-11) was acquired under FAA Project No. 9-20-022-701. In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

DATES: Comments must be received on or before June 3, 2002.

FOR FURTHER INFORMATION CONTACT: Mr. Jon B. Gilbert, Federal Aviation Administration, Great Lakes Region, Detroit Airports District Office, DET ADO-650.6, Willow Run Airport, East, 8820 Beck Road, Belleville, Michigan 48111, (734) 487-7281. Documents reflecting this FAA action may be reviewed at this same location or at the

City Engineer (Mr. Brian McManus), City of Midland, 333 W. Ellsworth Street, Midland, Michigan.

SUPPLEMENTARY INFORMATION: Following is a legal description of the property located in the city of Midland, Midland County, Michigan, described as follows: Part of the Southwest ¼ of Section 32, T15N-R2E, City of Midland, Midland County, Michigan, described as: Beginning at a point which is S 00°02'11" W, 1053.31 ft. along the North and South ¼ line, and S 78°54'33" W, 61.15 ft. from the center of said Section 32; thence S 78°54'33" W, 514.72 ft. on an intermediate traverse line along Jacobs Drain; thence S 75°53'19" W, 73.28 ft. along said intermediate traverse line; thence S 00°24'53" E, 582.06 ft. along a line which is parallel to and 50 ft. East of centerline of an entrance road to Jack Barstow Airport; thence S 89°31'34" E, 925.86 ft. along the north right of way line of airport road; thence N 00°02'11" E, 960.53 ft. along a line which is parallel to and 60 ft. West of the North and South ¼ line to the point of beginning, containing 17.44 acres, which includes all the land that lies between the intermediate traverse line and the centerline of Jacobs Drain and being subject to any easements of record. This notice announces that the FAA intends to authorize the disposal of the subject airport property at Jack Barstow Airport, Midland, Michigan.

Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination that all measures covered by the program are eligible for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance with the FAA's Policy and Procedures Concerning the Use of Airport Revenue.

Issued in Belleville, Michigan, February 28, 2002.

Irene R. Porter,

Manager, Detroit Airports District Office, Great Lakes Region.
