§ 240.31–1 Securities transactions exempt from transaction fees.

Preliminary Notes

1. The section 31 fee for options transactions occurring on a national securities exchange, or transactions in options subject to prompt last sale reporting occurring otherwise than on an exchange (with the exception of sales of options on securities indexes) is to be paid by the exchange or the national securities association itself, respectively, or by The Options Clearing Corporation on behalf of the exchange or association, and such fee is to be computed on the basis of the option premium (market price) for the sale of the option. Appendix A

Regulatory Flexibility Act Certification

1. Harvey L. Pitt, Chairman of the Securities and Exchange Commission (“SEC”), on information and belief, hereby certify, pursuant to 5 U.S.C. §605(b), that the proposed amendment to Rule 31–1 under the Securities Exchange Act of 1934 (“Exchange Act”) would not, if adopted, have a significant economic impact on a substantial number of small entities. Section 31 of the Exchange Act requires each national securities exchange and each national securities association to pay fees and assessments to the Commission based on sales of or transactions in certain securities. Section 31 of the Exchange Act was amended by the Commodity Futures Modernization Act of 2000 (“CFMA”) to impose assessments on transactions in security futures.

The proposed amendment to Rule 31–1 would clarify the method by which assessments are to be calculated for transactions in security futures and fees are to be calculated for sales of securities resulting from the physical settlement of security futures. Only national securities exchanges and national securities associations are required to pay Section 31 assessments for security futures transactions and fees for sales of securities resulting from the physical settlement of security futures. None of these exchanges or associations is a nonprofit organization. Only 501(c)(3) organizations are considered PVOs. Organizations registered before these
changes are implemented will remain in
the USAID Registry of PVOs.
4. Added requirement that the
organization is incorporated at least 18
months before applying.
5. Separated conditions from
documentation requirements for easier
reference.
6. Reduced the number of documents
required for application from 18 to 7
and for annual submission from 6 to 4.
7. Added Condition No. 8 on U.S.
national security issues.

B. Regulatory Analysis
1. Executive Order 12866. USAID has
determined that this regulation is not a
significant regulatory action as defined
in Executive Order 12866 and,
accordingly, this regulation has not been
reviewed by the Office of Management
and Budget.
2. Regulatory Flexibility Act. It is
hereby certified that this regulation will
not have a significant economic impact
on a substantial number of small
entities. Accordingly, a Regulatory
Flexibility Analysis is not required.
3. Executive Order 13132. This
regulation will not have a substantial
direct effect on the states, on the
relationship between the national
government and the states, or on
distribution of power and
responsibilities among the various
levels of government. Therefore, in
accordance with Executive Order 13132,
it is determined that this regulation does
not have significant federalism
implications to warrant the preparation
of a Federalism Assessment.
4. Unfunded Mandates Reform Act of
1995. This regulation will not result in
the expenditure by state, local and
governmental entities. Accordingly, 22 CFR part 203
is NOT required for application from 18 to 7
and for annual submission from 6 to 4.
5. Small Business Regulatory
Enforcement Fairness Act of 1996. This
rule is not a major rule as defined by
section 251 of the Small Business
Regulatory Enforcement Act. 5 U.S.C.
804. This rule will not result in
an annual effect on the economy of $100
million or more; a major increase in
costs or prices; or significant adverse
effects on competition, employment,
investment, productivity, innovation, or
on the ability of United States-based
companies to compete with foreign-
based companies in domestic or export
markets.
6. Executive Order 12988—Civil
Justice Reform. USAID has conducted
the reviews required by section 3 of
Executive Order 12988 and has
determined that, this rule meets the
applicable standards in section 3 to
mitigate litigation, eliminate ambiguity
and reduce burden.
7. Paperwork Reduction Act. This rule
does contain information collection
requirements that require approval by
the Office of Management and Budget
under the Paperwork Reduction Act (44
U.S.C. 3507 et seq.). We are in the
process of obtaining the necessary
approvals.

(1) Registration is a statutory
condition of eligibility for U.S. PVOs for
subventions.

eligibility for U.S PVOs for USAID

(cash) for its international activities
from sources other than the U.S.
Government to receive certain USAID
grants and cooperative agreements.
The privateness test is an eligibility criterion
for PVO programs; it is not a condition
for registration.
(b) It is not the purpose of registration
to allow registered U.S. PVOs to make,
or enable to be made, any representation
to the public concerning the meaning of
being registered with USAID.
(c) Registration does not bring an
organization within the Ambassador’s
authority and responsibility for the
security of U.S. Government operations
and personnel abroad.

taxes under Section 501(c)(3) of the
Internal Revenue Code (26 U.S.C.
501(c)(3));
(2) Works in, or intends to work in,
foreign development activities;
