

2. A Portfolio's prospectus will prominently disclose the existence, substance, and effect of any order granted pursuant to the application. Each Portfolio will hold itself out to the public as employing the management structure described in the application. A Portfolio's prospectus will prominently disclose that the Adviser has the ultimate responsibility (subject to oversight by the Board) to oversee the Sub-Advisers and recommend their hiring, termination, and replacement.

3. The Advisers will provide general management services to each of the respective Portfolios, including overall supervisory responsibility for the general management and investment of each Portfolio's assets, and, subject to the review and approval by the Board, will (i) set each Portfolio's overall investment strategies; (ii) evaluate, select and recommend Sub-Advisers to manage all or part of a Portfolio's assets; (iii) when appropriate, allocate and reallocate a Portfolio's assets among multiple Sub-Advisers; (iv) monitor and evaluate the investment performance of Sub-Advisers; and (v) implement procedures reasonably designed to ensure that the Sub-Advisers comply with the relevant Portfolio's investment objectives, policies and restrictions.

4. At all times, a majority of the Board of the respective Fund will be Independent Directors and the nomination of new or additional Independent Directors will be at the discretion of the then-existing Independent Directors.

5. The Adviser will not enter into a Sub-Advisory Agreement with any Affiliated Sub-Adviser without such agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Portfolio.

6. When a Sub-Adviser change is proposed for a Portfolio with an Affiliated Sub-Adviser, the Board of the Fund, including a majority of the Independent Directors, will make a separate finding, reflected in the minutes of the meeting of the Board, that such change is in the best interests of the applicable Portfolio and its shareholders and does not involve a conflict of interest from which the respective Adviser or the Affiliated Sub-Adviser derives an inappropriate advantage.

7. No director, trustee, or officer of the Fund or director or officer of the Adviser will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by the director/trustee or officer) any interest in a Sub-Adviser except (a) for the ownership of interests in the Adviser or

any entity that controls, is controlled by, or is under common control with the Adviser; or (b) for the ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly-traded company that is either a Sub-Adviser or an entity that controls, is controlled by, or is under common control with a Sub-Adviser.

8. Within 90 days of the hiring of any new Sub-Adviser, the Adviser will furnish shareholders (or, if the Portfolio serves as a funding medium for any sub-account of a registered separate account, the Adviser will furnish the unitholders of the sub-account) of the applicable Portfolio all information about the new Sub-Adviser that would be contained in a proxy statement, except as modified by the order to permit Aggregate Fee Disclosure. This information will include Aggregate Fee Disclosure and any change in such disclosure caused by the addition of a new Sub-Adviser. To meet this condition, the respective Adviser will provide the shareholders (or, if the Portfolio serves as a funding medium for any sub-account of a registered separate account, then by providing unitholders of the sub-account) with an information statement meeting the requirements of Regulation 14C, Schedule 14C, and Item 22 of Schedule 14A under the 1934 Act, except as modified by the order to permit Aggregate Fee Disclosure.

9. Each Portfolio will disclose in its registration statement the Aggregate Fee Disclosure.

10. Independent legal counsel, as defined in Rule 0-1(a)(6) under the Act, will be engaged to represent the Independent Directors of the Fund. The selection of such counsel will remain within the discretion of the then-existing Independent Directors.

11. Each Adviser will provide the respective Board, no less frequently than quarterly, with information about the Adviser's profitability on a per-Portfolio basis. The information will reflect the impact on the profitability of the hiring or termination of any Sub-Adviser during the applicable quarter.

12. Whenever a Sub-Adviser is hired or terminated, the relevant Adviser will provide the Board with information showing the expected impact on the Adviser's profitability.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
