JOINT BOARD FOR THE ENROLLMENT OF ACTUARIES

Advisory Committee on Actuarial Examinations; Invitation for Membership on Advisory Committee

AGENCY: Joint Board for the Enrollment of Actuaries.

ACTION: Notice.

SUMMARY: The Joint Board for the Enrollment of Actuaries (Joint Board), established under the Employment Retirement Income Security Act of 1974 (ERISA), is responsible for the enrollment of individuals who wish to perform actuarial services under ERISA. The Joint Board has established an Advisory Committee on Actuarial Examinations (Advisory Committee) to assist in its examination duties mandated by ERISA. The term of the current Advisory Committee will expire on November 1, 2002. This notice describes the Advisory Committee and invites applications from those interested in servicing on it.

1. General

To qualify for enrollment to perform actuarial services under ERISA, an applicant must have requisite pension actuarial experience and satisfy knowledge requirements as provided in the Joint Board's regulations. The knowledge requirements may be satisfied by successful completion of Joint Board examinations in basic actuarial mathematics and methodology and in actuarial mathematics and methodology relating to pension plans qualifying under ERISA.

The Joint Board, the Society of Actuaries, and the American Society of Pension Actuaries jointly offer examinations acceptable to the Joint Board for enrollment purposes and acceptable to those actuarial organizations as part of their respective examination programs.

2. Programs

The Advisory Committee plays an integral role in the examination program by assisting the Joint Board in offering examinations that will enable examination candidates to demonstrate the knowledge necessary to qualify for enrollment. The purpose of the Advisory Committee, as renewed, will remain that of assisting the Joint Board in fulfilling this responsibility. The Advisory Committee will discuss the philosophy of such examinations, will review topics appropriately covered in them, and will make recommendations relative thereto. It also will recommend to the Joint Board proposed examination questions. The Joint Board will maintain liaison with the Advisory Committee in this process to ensure that its views on examination content are understood.

3. Function

The manner in which the Advisory Committee functions in preparing examination questions is intertwined with the jointly administered examination program. Under that program, the participating actuarial organizations draft questions and submit them to the Advisory Committee for its consideration. After review of the draft questions, the Advisory Committee selects appropriate questions, modifies them as it deems desirable, and then prepares one or more drafts of actuarial examinations to be recommended to the Joint Board. (In addition to revisions of the draft questions, it may be necessary for the Advisory Committee to originate questions and include them in what is recommend.)

4. Membership

The Joint Board will take steps to ensure maximum practicable representation on the Advisory Committee of points of view regarding the Joint Board's actuarial examination extant in the community at large and from nominees provided by the actuarial organizations. Since the members of the actuarial organizations comprise a large segment of the actuarial profession, this appointive process ensures expression of a broad spectrum of viewpoints. All members of the Advisory Committee will be expected to act in the public interest, that is, to produce examinations that will help ensure a level of competence among those who will be accorded

enrollment to perform actuarial services under ERISA.

Membership normally will be limited to actuaries previously enrolled by the Joint Board. However, individuals having academic or other special qualifications of particular value for the Advisory Committee's work also will be considered for membership. The Advisory Committee will meet about four times a year. Advisory Committee members should be prepared to devote from 125 to 175 hours, including meeting time, to the work of the Advisory Committee over the course of a year. Members will be reimbursed for Advisory Committee travels meals and lodging expenses incurred in accordance with applicable government regulations.

Actuaries interested in serving on the Advisory Committee should express their interest and fully state their qualifications in a letter addressed to: Joint Board for the Enrollment of Actuaries, c/o Internal Revenue Service, Attn: Executive Director N:C:SC:DOP, 1111 Constitution Avenue, NW., Washington, DC 20224.

Any questions may be directed to the Joint Board's Executive Director at 202-694-1891.

The deadline for accepting applications is August 19, 2002.

Dated: April 30, 2002

Patrick W. McDonough,

Executive Director, Joint Board for the Enrollment of Actuaries.
