Title of Proposal: Public Housing Financial Management Template.

OMB Control Number: 2577–(Formerly 2535–0107).

Description of the need for the information and proposed use: The Uniform Financial Reporting Standards (UFRS) for HUD Housing Programs requires Public Housing Agencies (PHAs) to submit financial data electronically, using Generally Accepted Accounting Principles (GAAP), in a prescribed format. Electronic submission of this data requires the use of a template. The Public Housing Financial Management template includes updates that increase the efficiency of data collection and reduces the burden hours for the respondents. HUD will continue to use the financial information it collects from PHAs to evaluate their financial condition. Requiring PHAs to report electronically, in a prescribed HUD format, and using the GAAP basis of accounting has enabled HUD to provide a more comprehensive financial assessment of the PHAs receiving federal funds from HUD. The Real Estate Assessment Center responsibility for this collection of information was transferred to the Assistant Secretary for Public and Indian Housing.

Agency form numbers, if applicable: Not applicable.

Members of affected public: Public Housing Financial Management Template: Local, State, or Tribal Governments, Not-for-profit Institutions.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: Public Housing Financial Management Template: 3,173 PHAs; annual submission per PHA;
