Florida Gas Transmission Company; Notice of Tariff Filing

May 2, 2002.

Take notice that on April 26, 2002, Florida Gas Transmission Company (FGT) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets to become effective July 1, 2002:

Tenth Revised Sheet No. 102B
Sixth Revised Sheet No. 102C
Sixth Revised Sheet No. 173

FGT states that on March 11, 2002, in Docket No. RM96-1-019, the Federal Energy Regulatory Commission (Commission) issued Order No. 587-N (Order). In the Order, the Commission amended its regulations governing standards for interstate pipeline business operations and communications to require that pipelines permit releasing shippers, as a condition of a capacity release, to recall released capacity and renominate such recalled capacity at each nomination opportunity. The Order directs that recalls of released capacity will not be permitted to reduce (bump) already scheduled volumes for replacement shippers unless the replacement shippers are provided with at least one opportunity to reschedule any bumped volumes, which is similar to the protection afforded interruptible shippers. The Commission believes this rule creates greater flexibility for firm capacity holders on interstate pipelines by synchronizing the Commission's regulation of recalled capacity with its standards for intra-day nominations. The Order requires pipelines to make tariff filings by May 1, 2002 to implement provisions of the Order to become effective on July 1, 2002. The instant filing is made in compliance with Order No. 587-N.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance).
