The covenant not to sue does not apply to the following matters:

- (a) Claims based on a failure to make the required payment;
- (b) Claims based on the future arrangement for disposal or treatment of any hazardous substance, pollutant, or contaminant at the Site after the effective date of the *de minimis* settlement;

- (d) Liability for damages or injury to, destruction of, or loss of the natural resources and for the costs of any natural resource damage assessments.

The *de minimis* settlements will become effective upon the date which the EPA issues a written notice to the parties that the statutory public comment period has closed and that comments received, if any, do not require modification, of or EPA withdrawal from the settlement.
