

**Background**

On October 1, 2001, the Department published in the **Federal Register** the notice of initiation of this antidumping duty administrative review with respect to certain large diameter carbon and alloy seamless standard, line, and pressure pipe, covering the period February 4, 2000 through July 31, 2001 (66 FR 49924). The preliminary results are due no later than May 3, 2002.

**Extension of Preliminary Results of Review**

We determine that it is not practicable to complete the preliminary results of this review within the original time limit. Therefore, we are extending the time limit for completion of the preliminary results until no later than June 3, 2002. *See* Decision Memorandum from Melissa Skinner to Bernard Carreau, dated May 2, 2002, which is on file in the Central Records Unit, B-099 of the main Commerce Building. We intend to issue the final results no later than 120 days after the publication of the notice of preliminary results of this review.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: May 2, 2002.

**Bernard T. Carreau,**

*Deputy Assistant Secretary for Import Administration.*

**SUPPLEMENTARY INFORMATION:**

**Time Limits:****Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order/finding for which a review is requested and for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

**Background**

On October 1, 2001, the Department of Commerce (the Department) published a notice of initiation of administrative review of the antidumping duty order on certain small diameter carbon and alloy seamless standard, line and pressure pipe from Romania, covering the period February 4, 2000, through July 31, 2001 (66 FR 49924). The preliminary results are currently due no later than May 3, 2002.

**Extension of Time Limit for Preliminary Results of Review**

We determine that it is not practicable to complete the preliminary results of this review within the original time limit for the reasons stated in our memorandum from Gary Taverman to Bernard Carreau, dated April 30, 2002, which is on file in the Central Records Unit, Room B-099 of the main Commerce building. Therefore, the Department is extending the time limit for completion of the preliminary results until no later than May 24, 2002. We intend to issue the final results no later than 120 days after publication of the preliminary results notice. This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: April 30, 2002.

**Pure Magnesium and Alloy Magnesium from Canada: Preliminary Results and Partial Rescission of Countervailing Duty Administrative Reviews**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Preliminary Results of Countervailing Duty Administrative Reviews.

**SUMMARY:** The Department of Commerce is conducting administrative reviews of the countervailing duty orders on pure magnesium and alloy magnesium from Canada for the period January 1 through December 31, 2000. We have preliminarily determined that certain producers/exporters received net subsidies during the period of review. If the final results remain the same as these preliminary results, we will instruct the Customs Service to assess countervailing duties as detailed in the Preliminary Results of Reviews section of this notice. Based on information provided by Magnola Metallurgy Inc., we are rescinding the review with respect to this company.

Interested parties are invited to comment on these preliminary results (see the Public Comment section of this notice).

**EFFECTIVE DATE:** May 8, 2002.

**FOR FURTHER INFORMATION CONTACT:** Sally Hastings or Craig Matney, AD/CVD Enforcement, Group I, Office 1, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-3464 or (202) 482-1778, respectively.

**SUPPLEMENTARY INFORMATION:****Case History**

On August 31, 1992, the Department of Commerce ("the Department") published in the **Federal Register** the countervailing duty orders on pure magnesium and alloy magnesium from Canada (57 FR 39392). The Department published a notice of "Opportunity to Request Administrative Review" of these countervailing duty orders (66 FR 39729) on August 1, 2001. We received a timely request for review of Norsk Hydro Canada, Inc. ("NHCI") and Magnola Metallurgy Inc. ("Magnola") from the petitioner, Magnesium Corporation of America. We initiated these reviews for calendar year 2000 on October 1, 2001 (66 FR 49924).
