SUPPLEMENTARY INFORMATION:**I. Abstract**

The Bureau of Indian Affairs, Department of the Interior, must collect personal information to carry out the requirements of Title 25, § 11.600 (c)—Marriage, and Title 25, § 11.606 (c)—Dissolution of Marriage. Basic information is requested of applicants for the issuance of a marriage license or for the dissolution of a marriage by a Court of Indian offenses under 25 CFR part 11. Information is collected by the Clerk of the Court of Indian Offenses in order for the Court to issue a marriage license or dissolve a marriage. The information is collected on an application requesting only basic information necessary for the Court to properly dispose of the matter.

II. Method of Collection

The information is collected on an application for the marriage license or for a dissolution of marriage.

III. Information Collected

Courts of Indian Offenses (CFR Courts) have been established on certain Indian reservation under the authority vested in the Secretary of the Interior by 5 U.S.C. 301 and 25 U.S.C. 2 and 9; and 25 U.S.C. 13, which authorizes appropriations for "Indian judges." See *Tillett v. Hodel*, 730 F.Supp. 381 (W.D. Okla. 1990), *aff'd* 931 F.2d 636 (10th Cir. 1991) *United States v. Clapox*, 13 Sawy. 349, 35 F. 575 (D.Ore. 1888). The CFR Courts provide adequate machinery for the administration of justice for Indian tribes in those areas where tribes retain jurisdiction over Indians and is

exclusive of state jurisdiction but where tribal courts have not been established to exercise that jurisdiction.

Accordingly, CFR Courts exercise jurisdiction under part 11 of Title 25 Code of Federal Regulations. Domestic Relations are governed by 25 CFR 11.600 which authorizes the CFR Court to conduct marriages and dissolve marriages. In order to be married in a CFR Court a marriage license must be obtained (25 CFR 11.600, 601). To comply with this requirement an applicant must respond to the following six questions found at 25 CFR 11.600(c):

(c) A marriage license application shall include the following information:

(1) Name, sex, occupation, address, social security number, and date and place of birth of each party to the proposed marriage;

(2) If either party was previously married, his or her name, and the date, place, and court in which the marriage was dissolved or declared invalid or the date and place of death of the former spouse;

(3) Name and address of the parents or guardian of each party;

(4) Whether the parties are related to each other and, if so, their relationship; and

(5) The name and date of birth of any child of which both parties are parents, born before the making of the application, unless their parental rights and the parent and child relationship with respect to the child have been terminated.

(6) A certificate of the results of any medical examination required by either applicable tribal ordinances, or the laws of the State in which the Indian country under the jurisdiction of the Court of Indian Offenses is located.

For the purposes of § 11.600, Marriage, Social Security number information is requested to confirm identity. Previous marriage information is requested to avoid multiple simultaneous marriages, and to ensure that any pre-existing legal relationships are dissolved. Information on consanguinity is requested to avoid conflict with state or tribal laws against marriages between parties who are related by blood as defined in such laws. Medical examination information may be requested if required under the laws of the state in which the Court of Indian offenses is located.

To comply with the requirement for dissolution of marriage an applicant must respond to the following six questions found at 25 CFR 11.606(c):

(1) The age, occupation, and length of residence within the Indian country under the jurisdiction of the court of each party;

(2) The date of the marriage and the place at which it was registered;

(3) That jurisdictional requirements are met and that the marriage is irretrievably broken in that either (i) the parties have lived separate and apart for a period of more than 180 days next preceding the commencement of the proceeding or (ii) there is a serious marital discord adversely affecting the attitude of one or both of the parties toward the marriage, and there is no reasonable prospect of reconciliation;

(4) The names, age, and addresses of all living children of the marriage and whether the wife is pregnant;

(5) Any arrangement as to support, custody, and visitation of the children and maintenance of a spouse; and

(6) The relief sought.

For the purposes of § 11.606, Dissolution proceedings, information on occupation and residency is necessary to establish court jurisdiction. Information on the status of the parties, whether they have lived apart 180 days or if there is serious marital discord warranting dissolution, is necessary for the court to determine if dissolution is proper. Information on the children of the marriage, their ages and whether the wife is pregnant is necessary for the court to determine the appropriate level of support that may be required from the non-custodial parent.

Description of the need for the information and proposed use of the information: The information is submitted in order to obtain or retain a benefit, namely, the issuance of a marriage license or a decree of dissolution of marriage from the Court of Indian Offenses.

Affected entities: Indian applicants that are under the jurisdiction of one of the 24 established Courts of Indian Offenses are entitled to receive the benefit of this action by the Court.

Estimated number of respondents: Approximately 260 applications for a marriage license or petition for dissolution of marriage will be filed in the 24 Courts of Indian Offenses annually.

Proposed frequency of responses: On occasion as needed.

Burden: The average burden of submitting a marriage license or petition for dissolution of marriage is 15 minutes per application. The total annual burden is estimated as 65 hours.

Estimated cost: There are no costs to consider, except estimated costs of \$100 per court annually, for the material supplies and staff time required by the Court of Indian Offenses.

IV. Request for Comments

The Department of the Interior invites comments sent to the Office of Management and Budget on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) The accuracy of the agency's estimate of the burden (including the hours and cost) of the proposed collection of information, including the validity of the methodology and assumption used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other collection techniques or other forms of information technology.

Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.

Our request for comments was published in the **Federal Register** on January 23, 2002 (67 FR 3226). No comments were received.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information, unless it displays a currently valid Office of Management and Budget control number.

Dated: April 30, 2002.

Assistant Secretary—Indian Affairs.

DEPARTMENT OF THE INTERIOR**Bureau of Indian Affairs****Determination of Trust Land Acquisition; Correction and Clarification**

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of correction and clarification.

SUMMARY: The Bureau of Indian Affairs published in the **Federal Register** of March 11, 2002, a notice on the Wyandotte Tribe of Oklahoma. This document corrects a discrepancy and clarifies language in the notice published in the **Federal Register** on March 11, 2002 (67 FR 10926).

FOR FURTHER INFORMATION CONTACT:

George T. Skibine, Director, Office of Indian Gaming Management, Bureau of Indian Affairs, MS-2070 MIB, 1849 C Street NW., Washington, DC 20240; Telephone (202) 219-4066 (this is not a toll-free number); Telefax (202) 273-3153.

Correction

In the **Federal Register** of March 11, 2002, in FR Doc. 02-5760, on page 10926, in the second column under the heading "Background," the notice incorrectly stated in the last paragraph that "* * * the initial \$100,000 investment was \$121,170 at the time of the land purchase." The sentence is corrected to read "* * * the initial \$100,000 investment was \$212,170 at the time of the land purchase."

Clarification

In the first column under the heading "Summary," the words "land settlement claim" are removed from the text. In the second column under the heading "Determination," the first sentence is modified to read as follows: The Secretary of the Interior has determined that Public Law 98-602 funds were used to purchase the Shriner's Property in Kansas City, Kansas. This clarification is necessary to underscore that the notice should not be interpreted as a determination by the Secretary of the Interior that the Wyandotte Tribe is entitled to conduct gaming activities on the Shriner's Property pursuant to the "settlement of a land claim" exception to the gaming prohibition on land acquired in trust after October 17, 1988, contained in Section 20 of the Indian Gaming Regulatory Act. Attorneys for the Wyandotte Tribe have advised attorneys for the Department of the Interior and the Department of Justice that the Wyandotte Tribe intends to request the Department of the Interior and the National Indian Gaming Commission to decide whether the Shriner's Property comes within the "settlement of a land claim" exception in 25 U.S.C. 2719(b)(1)(B)(i).

Dated: April 26, 2002.

Assistant Secretary—Indian Affairs.
