SUPPLEMENTARY INFORMATION:

Title: 30 CFR Part 218, Subpart B—Oil and Gas, General.

OMB Control Number: 1010-0107.

Bureau Form Numbers: Forms MMS-4425 and MMS-4280.

Abstract: The Department of the Interior (DOI) is responsible for matters relevant to mineral resource development on Federal and Indian lands and the Outer Continental Shelf (OCS). The Secretary of the Interior is responsible for managing the production of minerals from Federal and Indian lands and the OCS, collecting royalties from lessees who produce minerals, and distributing the funds collected in accordance with applicable laws. The Secretary also has an Indian trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. MMS performs the royalty management functions for the Secretary.

The Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (RSFA), Public Law 104-185, as corrected by Public Law 104-200, established that owners of operating rights or lease record title (referred to as "lessees") are responsible for making royalty and related payments on Federal oil and gas leases. It is common, however, for a payor rather than a lessee to make these payments. When a payor makes payments on behalf of a lessee, RSFA requires that the lessee designate the payor as its designee and notify MMS of this arrangement in writing.

These RSFA requirements are codified in 30 CFR 218.52. MMS designed Form MMS-4425, Designation Form, to contain all the information necessary for lessees to comply with these RSFA requirements. We are proposing a minor revision to Form MMS-4425 to remove the field for revenue source code. This revision is necessary to make Form MMS-4425 compatible with other forms, such as the Form MMS-2014, Report of Sales and Royalty Remittance, that were revised as a result of a major reengineering of MMS's financial and compliance processes and the procurement of a new computer system.

Regulations at 30 CFR 218.53 provide requirements that payors must follow to recoup overpayments on Indian mineral leases. These regulations are necessary for MMS to carry out its Indian trust responsibilities. Generally, a payor may recoup an overpayment on Form MMS-2014 against the current month's royalties or other revenues owed on the same Tribal lease. However, 30 CFR 218.53(b) allows payors with written permission from the Tribe to recoup overpayments in the same month against a different lease for which the Tribe is the lessor. The payor must furnish a copy of the Tribe's written permission to MMS.

The Federal Oil and Gas Royalty Management Act of 1982 (FOGRMA) at 30 U.S.C. 1723, authorizes the Secretary of the Interior to pay a reward to certain individuals who provide information to the Government leading to the recovery of royalty or other payments owed to the United States from oil and gas leases on Federal lands or the Outer Continental Shelf. Criteria and procedures covering claims for, and payment of, rewards are provided at 30 CFR 218.57. In order to claim a reward, individuals must voluntarily, and of their own initiative, submit Form MMS-4280, Application for Reward for Original Information, to MMS.

Submission of the information in this collection is necessary to comply with FOGRMA and RSFA requirements and to carry out MMS's Indian trust responsibilities. Proprietary information that is submitted is protected, and there are no questions of a sensitive nature included in this information collection.
