

Committee take into account the needs of the diverse groups served by the Department. Membership shall include, to the extent practicable, individuals with demonstrated ability to represent minorities, women, and persons with disabilities. Nominees who are selected will be required to submit a Financial Disclosure form AD-755, available on-line at:

www.fsis.usda.gov/ophs/nacmcf/.

Given the complexity of issues, the full Committee expects to meet at least once yearly and the meetings will be announced in the **Federal Register**. The subcommittees will meet as frequently as deemed necessary by the chairperson and will be held as working group meetings in an open public forum. The subcommittee meetings will not be announced in the **Federal Register**. FSIS will announce the agenda and subcommittee working group meetings through the Constituent Update available on-line at www.fsis.usda.gov. NACMCF holds subcommittee working groups in order to accomplish the work of NACMCF; all work accomplished by the subcommittees is reviewed and approved by the full Committee during a **Federal Register** announced public meeting of the full Committee. The subcommittee may invite technical experts to present information for consideration by the subcommittee. All data and records available to the subcommittee are expected to be available to the public at the time the full Committee reviews and approves the work of the subcommittee.

Appointment to the Advisory Committee is a two-year term; renewable for three consecutive terms. Members must be prepared to work outside of scheduled Committee and subcommittee meetings, and may require document preparation. Committee members serve on a voluntary basis; however, travel reimbursement and per diem is available.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to better ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it and provide copies of this **Federal Register** publication both on the FSIS and NACMCF web pages and in the FSIS Constituent Update. FSIS provides a weekly FSIS Constituent Update, which is communicated via fax to over 300 organizations and individuals. In addition, the update is available on-line through the FSIS web page located at <http://www.fsis.usda.gov>. The update is

used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, recalls, and any other types of information that could affect or would be of interest to our constituents/stakeholders. The constituent fax list consists of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals that have requested to be included. Through these various channels, FSIS is able to provide information to a much broader, more diverse audience. For more information and to be added to the constituent fax list, fax your request to the Congressional and Public Affairs Office, at (202) 720-5704.
