May 7, 2002.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 24, 2002, the Philadelphia Stock Exchange, Inc. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The second PACE pilot program, which is found in Supplementary Material .05 and .07(c)(ii) to Phlx Rule 229, incorporates immediate execution of certain market orders through the Public Order Exposure System ("POES") and mandatory double-up/double-down price protection (the "order execution and price protection pilot program"). A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to extend the price improvement pilot program and the order execution and price protection pilot program through September 30, 2002. No other changes are proposed to these pilot programs at this time.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6 of the Act⁸ in general, and in particular, with Section 6(b)(5),⁹ in that it is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) Impose any significant burden on competition; and
- (iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The Exchange has requested that the Commission waive the 5-day pre-filing notice requirement, and accelerate the operative date. The Commission finds good cause to waive the pre-filing notice requirement, and to designate the proposal to be both effective and operative upon filing because such designation is consistent with the protection of investors and the public interest. Waiver of these requirements will allow the pilot programs to continue uninterrupted through September 30, 2002. For these reasons, the Commission finds good cause to designate that the proposal is both effective and operative upon filing with the Commission.¹²

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to file number SR-Phlx-2002-28, and should be submitted by June 3, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³
