Pursuant to section 735(a)(2) of the Tariff Act and section 351.210(b)(2)(ii) of the Department's regulations, on April 4, 2002, the respondent in the German case, Saarstahl AG (Saarstahl) requested the Department postpone the final determination in accordance with section 735(a)(2)(A) of the Tariff Act. Saarstahl also requested that the Department extend to six months any provisional measures imposed pursuant to section 733(d) of the Tariff Act. Similarly, on April 27, 2002, Moldova Steel Works requested the Department postpone the final determination in the Moldova case, agreeing to an extension of the provisional measures.

On April 11, 2002, pursuant to section 735(a)(2)(B) of the Tariff Act and section 351.210(b)(2)(i) of the Department's regulations, petitioners requested the Department postpone the final determination in the investigation of steel wire rod from Indonesia.¹

Background

The review covers three manufacturers/exporters of the subject merchandise to the United States: PT Dieng Djaya and PT Surya Jaya Abadi Perkasa (Dieng/Surya), PT Indo Evergreen Agro Business Corp. (Indo Evergreen), and PT Zeta Agro Corporation (Zeta).

On March 7, 2002, the Department of Commerce published in the **Federal Register** the preliminary results of administrative review of the antidumping duty order on certain preserved mushrooms from Indonesia (67 FR 10366) (*Preliminary Results*).

We invited parties to comment on the preliminary results of the review. No interested party submitted comments. The Department has conducted this administrative review in accordance with section 751 of the Act.

Scope of the Order

The products covered by this order are certain preserved mushrooms, whether imported whole, sliced, diced, or as stems and pieces. The preserved mushrooms covered under this order are the species *Agaricus bisporus* and *Agaricus bitorquis*. "Preserved mushrooms" refer to mushrooms that have been prepared or preserved by cleaning, blanching, and sometimes slicing or cutting. These mushrooms are

then packed and heated in containers including but not limited to cans or glass jars in a suitable liquid medium, including but not limited to water, brine, butter or butter sauce. Preserved mushrooms may be imported whole, sliced, diced, or as stems and pieces. Included within the scope of this order are "brined" mushrooms, which are presalted and packed in a heavy salt solution to provisionally preserve them for further processing.

Excluded from the scope of this order are the following: (1) All other species of mushroom, including straw mushrooms; (2) all fresh and chilled mushrooms, including "refrigerated" or "quick blanched mushrooms"; (3) dried mushrooms; (4) frozen mushrooms; and (5) "marinated," "acidified" or "pickled" mushrooms, which are prepared or preserved by means of vinegar or acetic acid, but may contain oil or other additives.

The merchandise subject to this order is currently classifiable under subheadings 2003.10.0027, 2003.10.0031, 2003.10.0037, 2003.10.0043, 2003.10.0047, 2003.10.0053, and 0711.90.4000 of the *Harmonized Tariff Schedule of the United States*² (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Final Results of the Review

Our final results remain unchanged from the preliminary results. The following weighted-average margin percentages apply for the period February 1, 2000, through January 31, 2001:

Manufacturer/exporter	Margin (percent)
PT Dieng Djaya and PT Surya Jaya Abadi Perkasa	0.59
PT Indo Evergreen Agro Business Corp.	0.09 (de minimis)
PT Zeta Agro Corporation	0.27 (de minimis)

Assessment Rates

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. The Department will issue appropriate appraisement instructions directly to the Customs Service upon completion of this review. In accordance with 19 CFR 351.106(c)(1), we will instruct the Customs Service to

assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above de minimis (i.e., less than 0.50 percent). For assessment purposes, we intend to calculate importer-specific assessment rates for the subject merchandise by aggregating the dumping margins calculated for all U.S. sales examined and dividing this amount by the total entered value of the sales examined. In order to estimate the entered value, we will subtract applicable movement expenses from the gross sales value.

Cash Deposit Requirements.

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) the cash deposit rates for the reviewed companies will be those established above in the "Final Results of Review" section, except if the rate is less than 0.50 percent, and therefore, de minimis within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less than fair value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 11.26 percent, the "All Others" rate made effective by the LTFV investigation. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as the only reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO material or conversion to judicial protective order is hereby requested. Failure to comply with the regulation and the terms of an APO is a sanctionable violation.

This administrative review and notice are published in accordance with

sections 751(a)(1) of the Act and 19 CFR 351.221.
