PRESIDIO TRUST

The Presidio of San Francisco, California; Notice of Availability of the Presidio Trust Management Plan and Final Environmental Impact Statement

AGENCY: The Presidio Trust.

ACTION: Notice of availability of the Presidio Trust Management Plan (PTMP): Land Use Policies for Area B of The Presidio of San Francisco and associated Final Environmental Impact Statement (EIS). The PTMP (formerly known as the Presidio Trust Implementation Plan or PTIP) is an

update to the July 1994 Final General Management Plan Amendment (GMPA) for the portion of The Presidio of San Francisco (Presidio) now under the Presidio Trust's (Trust's) jurisdiction (Area B). The PTMP EIS supplements the GMPA Environmental Impact Statement adopted by the National Park Service (NPS) for the Presidio in 1994.

Contents of Final EIS: Volume I of the Final EIS contains the text of the Final EIS with a summary of changes made in response to comments on the Draft EIS. Major impact topics assessed in Volume I include historic resources, cultural landscape, archaeology, biological resources, water resources, visual resources, air quality, noise, land use, socioeconomic issues, visitor experience, recreation, public safety, transportation, water supply, utilities and Trust operations. Volume II contains a summary of the public and agency comments received on the Draft EIS, along with written responses to those comments. Volume III contains technical appendices related to the EIS analyses.

Background: The Trust has prepared a Final EIS in compliance with the National Environmental Policy Act (NEPA), the Council on Environmental Quality's implementing regulations at 40 CFR Parts 1500-1508, and the Trust's supplemental implementing regulations in 36 CFR Part 1010. The Final EIS describes and analyzes a proposed action (Final Plan), a variant of the Final Plan alternative, and five additional alternatives to address Presidio Trust Act (Trust Act) requirements, changed conditions since the GMPA was adopted, new policies and management approaches of the Trust, and public comment on the Draft Plan and Draft EIS. The Draft Plan and EIS were circulated for public and agency review from July 25, 2001 to October 25, 2001, a period of about 90 days. During this period, the Trust received over 3,000 comment letters, as well as oral comments provided at two public hearings and at a public meeting of the Golden Gate National Recreation Area and Point Reyes National Seashore Citizens' Advisory Commission. The Trust carefully considered public comments, and made modifications to the text of the Draft Plan and EIS. Modifications included re-naming and substantially revising the text of the Draft Plan, along with inclusion of the Final Plan variant in the EIS and other modest adjustments to the text and analysis of the EIS. Original comment letters and transcripts are available for review in the Trust library, 34 Graham Street, in the Presidio.
