

The Commission staff estimates that the time required to prepare an application under rule 19b-1(e) is approximately four hours. The staff estimates that on average one fund files one application per year under this rule. Based on these estimates, the total paperwork burden is 4 hours for paragraph (e) of rule 19b-1. The Commission staff estimates that there is no hour burden associated with rule 19b-1(c).

There is, however, a cost burden associated with rule 19b-1(c). The staff estimates that there are approximately 8,800 fixed-income UITs, which may rely on rule 19b-1(c) to make capital gains distributions. We estimate that on average each of these UITs relies on rule 19b-1(c) once a year to make a capital gains distribution.⁹ We estimate that a UIT incurs a cost of \$50, which is encompassed within the fee the UIT pays its trustee, to prepare a notice for a capital gains distribution under rule 19b-1(c)(2). Because the notices are mailed with the capital gains distribution, there is no separate mailing cost. Thus, the staff estimates that the notice requirement imposes an annual cost on UITs of approximately \$440,000.

Based on these calculations, the total number of respondents for rule 19b-1 is estimated to be 8,801 (8,800 UIT portfolios + 1 fund filing an application under rule 19b-1(e)), the total hour burden is estimated to be 4 hours, and the total cost burden is estimated to be \$440,000.

The collections of information required by 19b-1(c) and 19b-1(e) are necessary to obtain the benefits described above.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d)

ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. The Commission will consider comments and suggestions submitted in writing within 60 days of this publication.

("PCX" or "Exchange").

The Board of Directors ("Board") of the Issuer approved a resolution on March 15, 2002 to withdraw its Security from listing on the Exchange. The Issuer's application relates solely to the withdrawal of the Securities from listing on the PCX and shall have no effect upon the Security's continued listing on

the NYSE and registration under Section 12(b) of the Act.³

Any interested person may, on or before May 30, 2002, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the PCX and what terms, if any, should be imposed by the Commission for the protection of investors.
