Department of Health and Human Services, et al.; Notice of Consolidated Decision on Applications for Duty-Free Entry of Electron Microscopes

This is a decision consolidated pursuant to Section 6(c) of the Educational, Scientific, and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, 80 Stat. 897; 15 CFR part 301). Related records can be viewed between 8:30 a.m. and 5 p.m. in Suite 4100W, Franklin Court Building, U.S. Department of Commerce, 1099 14th Street, NW., Washington, DC.

Docket Number: 02-008. *Applicant:* Department of Health and Human Services, Atlanta, GA 30333.

Instrument: Electron Microscope, Model Tecnai 12 TWIN. *Manufacturer:* FEI Company, The Netherlands. *Intended Use:* See notice at 67 FR 17407, April 10, 2002. *Order Date:* July 12, 2001.

Docket Number: 02-010. *Applicant:* University of New Mexico, Albuquerque, NM 87131-5226. *Instrument:* Electron Microscope, Model H-7500-1. *Manufacturer:* Hitachi Ltd., Japan. *Intended Use:* See notice at 67 FR 18863, April 17, 2002. *Order Date:* August 13, 2001.

Comments: None received. *Decision:* Approved. No instrument of equivalent scientific value to the foreign instrument, for such purposes as these instruments are intended to be used, was being manufactured in the United States at the time the instruments were ordered. *Reasons:* Each foreign instrument is a conventional transmission electron microscope (CTEM) and is intended for research or scientific educational uses requiring a CTEM. We know of no CTEM, or any other instrument suited to these purposes, which was being manufactured in the United States at the time of order of each instrument.

Gerald A. Zerdy,

Program Manager, Statutory Import Programs Staff.

University of Wisconsin—Milwaukee; Notice of Decision on Application for Duty-Free Entry of Scientific Instrument

This decision is made pursuant to Section 6(c) of the Educational, Scientific, and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, 80 Stat. 897; 15 CFR part 301). Related records can be viewed between 8:30 a.m. and 5 p.m. in Suite 4100W, U.S. Department of Commerce, Franklin Court Building, 1099 14th Street, NW., Washington, DC.

Docket Number: 02-011. *Applicant:* University of Wisconsin, Milwaukee, WI

53211. *Instrument:* IR Image Furnace, Model SCI-MDH-11020. *Manufacturer:* NEC Machinery Corporation, Japan. *Intended Use:* See notice at 67 FR 18862, April 17, 2002.

Comments: None received. *Decision:* Approved. No instrument of equivalent scientific value to the foreign instrument, for such purposes as it is intended to be used, is being manufactured in the United States. *Reasons:* The foreign instrument provides a dual mirror image furnace with a homogeneous temperature gradient around the horizontal plane with a simultaneous steeper temperature gradient along the vertical portion for growth of various oxide single crystals. The National Aeronautics and Space Administration advised May 8, 2002 that (1) this capability is pertinent to the applicant's intended purpose and (2) it knows of no domestic instrument or apparatus of equivalent scientific value to the foreign instrument for the applicant's intended use.

We know of no other instrument or apparatus of equivalent scientific value to the foreign instrument which is being manufactured in the United States.

Application for Duty-Free Entry of Scientific Instrument

Pursuant to section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether an instrument of equivalent scientific value, for the purposes for which the instrument shown below is intended to be used, is being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be filed within 20 days with the Statutory Import Programs Staff, U.S. Department of Commerce, Washington, DC 20230. Applications may be examined between 8:30 a.m. and 5:00 p.m. in Suite 4100W, U.S. Department of Commerce, Franklin Court Building, 1099 14th Street, NW., Washington, DC.

Docket Number: 02-0012.

Applicant: University of Vermont, College of Medicine, Molecular

Physiology and Biophysics, HSRF, Room 116, 149 Beaumont Avenue, Burlington, VT 05405.

Instrument: Slow Scan CCD Camera System, Model TemCam-0124.

Manufacturer: Tietz Video and Image Processing Systems GmbH, Germany.

Intended Use: The instrument is intended to be used to study how the structure of the proteins that make muscle contract relate to their contractile performance. Experiments will involve isolating individual protein molecules and then plunging them in ice water to freeze their structures, which will then be studied in the electron microscope and visualized with the CCD camera.

Application accepted by Commissioner of Customs: March 29, 2002.

[C-533-063]

Certain Iron-metal Castings from India: Amended Final Results of Countervailing Duty Administrative Review Pursuant to Settlement

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amendment to final results of countervailing duty administrative review.

SUMMARY: On December 6, 1996, the Department of Commerce ("the Department") published in the Federal Register its final results of administrative review of the countervailing duty order on certain iron-metal castings from India for the period 1992 (61 FR 64687). Pursuant to a settlement agreement, the Department has recalculated the countervailing duty rates. The final countervailing duty rates for this review period are listed below in the *Final Results of Review* section of this notice.

EFFECTIVE DATE: May 16, 2002.

FOR FURTHER INFORMATION CONTACT: Robert Copyak, Office of AD/CVD Enforcement VI, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W. Washington, D.C. 20230; telephone: (202) 482-2786.

SUPPLEMENTARY INFORMATION: On December 6, 1996, the Department published the final results of its administrative review of the countervailing duty order on certain iron-metal castings from India for the period January 1, 1992 through December 31, 1992. *See Final Results of Countervailing Duty Administrative Review: Certain Iron-Metal Castings from India*, 61 FR 64687 (1992 *Iron-metal Castings*). Subsequently, respondents challenged the final results before the Court of International Trade (CIT). The primary complaint of their challenge involved the calculation of the program rates for the subsidies provided under section 80 HHC of India's Income Tax Act.

Under section 80HHC of India's Income Tax Act, exporters of iron-metal castings are eligible to claim tax exemptions based on their export profits. In 1992 *Iron-Metal Castings*, the Department calculated these subsidies without adjusting for other subsidies received under India's International Price Reimbursement Scheme (IPRS). As section 80HHC was also the subject of litigation for the review period 1991 in *Kajaria Iron Casting Pvt. v. United States*, Consolidated Court No. 95-09-01240 (*Kajaria*), litigation for the review period 1992 was stayed pending finalization of *Kajaria*. After the CIT affirmed the Department's remand determination for the 1991 administrative review (*see Kajaria*, slip op. 2001-5 (CIT Jan. 24, 2001)), the Department published a notice of amended final results in accordance with that opinion. *See Certain Iron-metal Castings from India: Amended Final Results of Countervailing Duty Administrative Review In Accordance With Decision Upon Remand* (66 FR 24115, May 11, 2001). In lieu of pursuing further litigation with respect to the administrative review of the review period 1992, the parties have entered into a settlement agreement. The parties agreed to countervailing duty rates that were calculated based on the methodology approved by the CIT in *Kajaria*. On March 8, 2002, the CIT approved the settlement agreement and dismissed the lawsuit. *See Calcutta Ferrous v. United States*, Consol. Ct. No., 97-01-00004 (CIT Mar. 8, 2002) (Order of Dismissal).

Final Results of Review

Pursuant to the settlement agreement, we recalculated the company-specific and all-other subsidy rates for the period January 1, 1992, through December 31, 1992. The amended final countervailing duty rates are:

Manufacturer/Exporter	Revised Rates
Carnation Enterprises Pvt. Ltd.	<i>de minimis</i>
Dinesh	<i>de minimis</i>
Kajaria Iron Castings	12.36%
All Others	4.18%

The Department will instruct the U.S. Customs Service (Customs) to assess countervailing duties on all appropriate entries. The Department will issue liquidation instructions directly to Customs.

This amendment to the final results of countervailing duty administrative review notice is in accordance with sections 751(a)(1) and 777(i) of the Tariff Act, as amended, (19 U.S.C. 1675(a)(1) and 1677f(i)), and 19 CFR 351.221(b)(5).

Dated: May 7, 2002

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
