Supplementary Rule With Criminal Penalties

AGENCY: Anchorage Field Office, Bureau of Land Management, DOI.

ACTION: Supplementary Rule for Restriction of Certain Activities on Public Lands Managed by the Anchorage Field Office, Bureau of Land Management, Alaska.

SUMMARY: This Supplementary Rule is necessary for the management of actions, activities, and use on public lands which may have, or are having, adverse impacts on persons using public lands, on property, and on resources located on public lands. The subject lands are utilized for a public boat launch, lawful hunting, and air boating and are adjacent to the heavily traveled Glenn Highway. This Supplemental Rule will be in effect from September 1, 2002, until such lands are conveyed to the State of Alaska.

While hunters, air boaters and other recreationists can schedule their use around published hunting seasons for safety reasons, they are not able to avoid random target shooting. Motorists on the Glenn Highway are not able to schedule their use of the highway. Local conditions such as heavy brush can reduce visibility and increase the hazard to other recreationists and motorists from target shooters. Recent incidents involving random target shooting are an endangerment to other users of this area and to motorists on the adjacent Glenn Highway. The discharge of fireworks increases the risk of wildfires. In

addition, resource damage is occurring from the accumulation of debris and lead contamination. To reduce the incidence of future conflicts and enhance public safety, this area of public land known as the Knik River Access or Gravel Pit Lake, located north of Anchorage, Alaska is being closed to the discharge of fireworks and discharge of firearms. This area will remain open to lawful hunting by licensed hunters during seasons administered by the Alaska Department of Fish and Game. Shotgun use will be limited to ammunition containing steel or non-lead shot.

This Supplemental Rule does not apply to other lands, specifically State or Federal lands including State lands in the Palmer Hay Flats State Wildlife Refuge.

The affected lands are public lands administered by the Bureau Land Management, Anchorage Field Office, and are described as follows:

T. 16 N., R. 1 E., Seward Meridian, Alaska
 Sec. 10: Lot 6, West of the Alaska Railroad
 Sec. 15: Lot 6

**SUPPLEMENTARY INFORMATION:
 Supplementary Rule**
