

5. *New Jersey Department of Corrections—Bayside State Correctional Facility D-2000-10 CP.* A ground water withdrawal project to supply up to 30 mg/30 days of water to the applicant's correctional facility and farm from new Well No. 5 in the Cohansey-Kirkwood aquifer and to retain the withdrawal limit from all wells at 30 mg/30 days. The project is located in Maurice River Township, Cumberland County, New Jersey.

6. *Pennridge Wastewater Treatment Authority D-2001-1 CP.* A project to expand the applicant's existing advanced secondary STP from 4.0 mgd to 4.325 mgd via trickling filter and chemical addition processes. Located in both West Rockhill Township and Sellersville Borough, both in Bucks County, Pennsylvania, the STP will serve the Boroughs of Perkasio, Sellersville, Silverdale and Telford, and the Townships of East Rockhill, Hilltown and West Rockhill, all in Bucks County. Treated effluent will continue to be discharged to the adjacent East Branch Perkiomen Creek through an existing outfall.

7. *West Vincent Township D-2001-60.* A project to construct a 0.11 mgd aerated-lagoon type STP and effluent spray irrigation system to serve proposed housing and commercial office development on the northeast corner of Routes 100 and 401 in West Vincent Township, Chester County, Pennsylvania. Following secondary treatment, effluent will be sprayed on 22 acres of adjacent farm and wooded lands. During inclement weather, STP effluent can be stored in on-site lagoons, so no discharge to nearby Birch Run Creek in the French Creek watershed is required.

8. *Tidewater Utilities, Inc. D-2002-4 CP.* A ground water withdrawal project to supply up to 7.95 mg/30 days of water to the applicant's public water distribution system from new Wells Nos. L5 and L9 in the Columbia Formation. Wells Nos. L5 and L9 will be interconnected with the applicant's eleven other wells, which are located outside the Delaware River Basin. The project is located in the Broadkill River watershed in Lewes/Rehoboth, Sussex County, Delaware.

9. *Philadelphia Suburban Water Company D-2002-5 CP.* A ground water withdrawal project to supply a combined total of 6.26 mg/30 days of water to the applicant's public water supply distribution system from new Kay Wells B and C, to be interconnected with nine existing wells currently comprising the Pennsylvania Suburban Water Company (PSW) UGS Northern Division service area, and to limit the

withdrawal from all wells to 15.86 mg/30 days. Kay Well B is to be allocated at 2.80 mg/30 days and Kay Well C at 3.45 mg/30 days. The project is located in the Beaver Creek watershed in East Brandywine Township, Chester County, Pennsylvania. As proposed in the PADEP draft water supply permit, Special Condition I, the Kay Wells would be removed from service once a water treatment plant receiving water from PSW's Cornog Quarry Project (a proposed surface water withdrawal and storage project on the East Branch Brandywine Creek in Wallace Township, Chester County) is placed into operation. At such time, the DRBC's combined total allocation for the remaining wells is proposed to be limited to 9.6 mg/30 days.

10. *Kidder Township D-2002-6 CP.* A project to expand the 0.15 mgd Split Rock STP to process 0.4 mgd, while continuing to provide a tertiary level of treatment. The applicant proposes to purchase the existing STP from Vacation Charters, Ltd. and expand the sequencing batch reactor plant to serve future development at the Split Rock Resort and current flows from properties in the Lake Harmony and Split Rock areas, all within Kidder Township, Carbon County, Pennsylvania. The project is located about 2 miles west of the intersection of Interstate 80 and State Route 115. The existing STP owner will retain a spray irrigation permit to apply the effluent to its resort golf course, as needed, or allow it to discharge to Shingle Mill Run, a tributary of Tobyhanna Creek in the Lehigh River Watershed.

Migrant Education Even Start Program

AGENCY: Department of Education.

Notice inviting applications for new awards for fiscal year (FY) 2002.

Note to Applicants: This notice is a complete application package. Together with the statute authorizing the program and the Education Department General Administrative Regulations, the notice contains all of the information, application forms, and instructions needed to apply for a grant under this competition.

Purpose of Program: The Migrant Education Even Start (MEES) program is designed to help break the cycle of poverty and improve the literacy of participating migratory families by integrating early childhood education, adult literacy or adult basic education (including English language training, as appropriate), and parenting education into a unified family literacy program.

Eligible Applicants: While any entity is eligible to apply for a grant under the MEES program, the Assistant Secretary for Elementary and Secondary Education specifically invites applications from State educational agencies (SEAs) that administer migrant education programs; local educational agencies (LEAs) that have a high percentage of migratory students; non-profit community-based organizations that work with migratory families; and faith-based organizations, provided that they meet all statutory and regulatory requirements.

The Assistant Secretary also invites applications from novice applicants. "Novice applicant" means any applicant for a grant from the U.S. Department of Education (the

Department) that has never received a grant or subgrant under the MEES program; has never been a participant in a group application, submitted in accordance with sections 75.127-75.129 of the Education Department General Administrative Regulations (EDGAR), that received a grant under the program from which it sought funding; and has not had an active discretionary grant from the Federal Government in five years before the deadline date for applications under the MEES program. (34 CFR 75.225.)

The Assistant Secretary has determined that special consideration of novice applications is appropriate and will give competitive preference of 5 points to eligible novice applicants under the procedures in 34 CFR 75.105 (c)(2). In addition, before making a grant to a novice applicant, the Assistant Secretary imposes special conditions, if necessary, to ensure that the grant is managed effectively and project objectives are achieved.

(Authority 20 U.S.C. 1221e-3 and 3474.)

Deadline for Transmittal of Applications: July 5, 2002.

Deadline for Intergovernmental Review: September 3, 2002.

(a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 85, 97, 98, and 99. (b) The definitions of a migratory child, a migratory agricultural worker and a migratory fisher contained in 34 CFR 200.40.

Waiver of Proposed Rulemaking: In the "Program Description" and "Required Program Elements" sections of this notice, the Assistant Secretary has interpreted provisions in ESEA sections 1231 and 1235 to require an emphasis on reading proficiency as the basis for academic success in program that underscores programs such as Reading First and Early Reading First.

It is the Assistant Secretary's practice, in accordance with the Administrative Procedure Act (5 U.S.C. 553), to offer interested parties the opportunity to comment on proposed rules and competitive preferences. Section 437(d)(1) of the General Education
