Description: Section 203(b)(1) of the Migrant and Seasonal Agricultural Worker Protection Act (MSPA) and Section 500.135(b) of Regulations 29 CFR part 500, provide that any person who owns or controls a facility or real property to be used for housing migrant agricultural workers shall not permit such housing to be occupied by any worker unless a copy of a certificate of occupancy from State, Local, or Federal agency which conducted the housing safety and health inspection, is posted at the site of the facility or real property.

Form WH-520 is the form used to gather information to determine whether or not the facility meets the applicable safety and health standards, and also serve as the certificate of occupancy. If the information were not collected, it would not be possible to ascertain which facility had been inspected and certified as meeting applicable safety and health standards and who is responsible for maintaining those standards.
