

Advanced Placement programs, the Department gives priority to funding proposals to use grant funds to pay advanced placement test fees on behalf of eligible low-income individuals. To implement this priority, the Department intends to fund, at some level, all applications that meet the minimum Requirements for Approval of Applications as described in the application package.

#### Award Basis

In determining grant award amounts, the Department will consider, among other things, the number of children in the State eligible to be counted under section 1124(c) of Title I of the ESEA in relation to the number of such children so counted in all the States. Complete budget data must be submitted for each year of funding requested.

#### Applicable Regulations and Statute

The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 85, 86, and 99. Title I, Part G of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001, Public Law 107-110.

The following definitions and other provisions are taken from the Advanced Placement Programs authorizing statute, in Title I, Part G of the ESEA. They are repeated in this application notice for the convenience of the applicant.

#### Definitions

As used in this section:

(a) The term *advanced placement test* means an advanced placement test administered by the College Board or approved by the Secretary of Education.

**Note:** In addition to advanced placement tests administered by the College Board, the Department has approved advanced placement tests administered by the International Baccalaureate Organization. As part of the grant application process, applicants may request approval of tests from other educational entities that provide comparable programs of rigorous academic courses and testing through which students may earn college credit.

(b) The term *low-income individual* means an individual who is determined by an SEA or local educational agency to be a child, ages 5 through 17, from a low-income family, on the basis of data used by the Secretary to determine allocations under section 1124 of Title I of the ESEA, data on children in families receiving assistance under part A of title IV of the Social Security Act, or data on children eligible to receive medical assistance under the Medicaid program under title XIX of the Social

Security Act, or through an alternate method that combines or extrapolates from those data.

#### Information Dissemination

An SEA awarded a grant under the AP Test Fee program shall disseminate information regarding the availability of advanced placement test fee payments under this program to eligible individuals through secondary school teachers and guidance counselors.

#### Supplement, Not Supplant Rule

Funds provided under this program must be used to supplement, and not supplant, other non-Federal funds that are available to assist low-income individuals in paying advanced placement test fees.

### Federal Energy Regulatory Commission

[Docket No. PR02–16–000]

#### Calpine Texas Pipeline, L.P.; Notice of Petition for Rate Approval

May 17, 2002.

Take notice that on May 2, 2002, Calpine Texas Pipeline, L.P. (Calpine) filed, pursuant to section 284.224(c)(7) and section 284.123(b)(1)(ii) of the Commission's regulations, a petition for rate approval, requesting that the Commission approve the following maximum rates for transportation under Section 311 of the Natural Gas Policy Act. Calpine proposes rates of \$0.0121/MMBtu for the Baytown System and \$0.0218/MMBtu for the Freestone System.

Pursuant to section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the date of this filing, the rates will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines

would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150 day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

Any person desiring to participate in this rate proceeding must file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed with the Secretary of the Commission on or before May 29, 2002. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. This petition for rate approval is on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202–208–2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

#### FPL Energy Maine Hydro LLC; Notice Revising Processing Schedule and Issuing an Environmental Assessment

May 17, 2002.

On December 14, 2001, the Federal Energy Regulatory Commission (Commission) issued a Scoping Document 2 (SD2) for the Indian Pond Project (FERC No. 2142–031). The SD2 included a schedule for processing the application for a new license for the Project. The schedule estimated issuing a draft environmental assessment (EA) during the Spring-Summer 2002 and a final EA during the Fall-Winter 2002.

The Commission staff will issue one EA rather than issuing a draft and final

EA. Staff intends to allow at least 30 days for entities to comment on the EA, and will take into consideration all comments received on the EA before final action is taken on the license application. The application will be processed according to the following milestones. Revisions to these milestones will be made when the Commission determines it is necessary to do so.

Environmental Assessment Fall—  
Winter 2002  
Order on License Decision Spring—  
2003
