

This program responds to the health emergency in African-American, Hispanic/Latino, American Indian/Alaska Native, and Asian-American/Pacific Islander communities described by the Congressional Black and Hispanic Caucuses. It includes two initiatives:

Funds under this Services Grant initiative are available to support effective, integrated Substance Abuse Prevention (SAP) and HIV Prevention (HIVP) services for youth and other at-risk populations.

Eligibility: Funding will be directed to activities designed to deliver services specifically targeting racial and ethnic minority populations impacted by HIV/AIDS. Eligible entities may include: not for profit community-based organizations, national organizations, colleges and universities, clinics and hospitals, research institutions, and tribal government and tribal/urban Indian entities and organizations. Faith-based and community-based organizations are eligible to apply. In addition, health care delivery organizations, Historically-Black Colleges (HBCUs), Tribal Colleges and Universities (TCUs), Hispanic Serving Institutions (HSIs), Hispanic Association of Colleges and Universities members (HACUs), are also eligible to apply. Note: State and local government agencies are not eligible under this GFA.

Availability of Funds: Approximately \$15.1 million is available to fund planning grants. CSAP expects to award funding to 40–45 applicants, in the amount of \$250,000 to \$350,000. Your budget should not exceed \$350,000 in total costs (direct and indirect). Actual funding levels will depend on the availability of funds. CSAP's Minority SAP and HIVP programs include two separate funding opportunities in FY 2002:

- This GFA provides instructions on applying for Services Grants
- A separate GFA is available to provide instructions on applying for Planning Grants.

Period of Support: Awards may be requested for up to 3 years.

Criteria for Review and Funding:

General Review Criteria: Competing applications requesting funding under this activity will be reviewed for technical merit in accordance with established PHS/SAMHSA peer review procedures. Review criteria that will be used by the peer review groups are specified in the application guidance material.

Award Criteria for Scored Applications: Applications will be considered for funding on the basis of

their overall technical merit as determined through the peer review group and the appropriate National Advisory Council review process. Availability of funds will also be an award criteria. Additional award criteria specific to the programmatic activity may be included in the application guidance materials.

Catalog of Federal Domestic Assistance Number: 93.243.

Program Contact: For questions concerning program issues, contact: Francis C. Johnson, M.S.W., Rockwall II, Suite 1075, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-6612, E-Mail: fjohnson@SAMHSA.gov.

For questions regarding grants management issues, contact: Steve Hudak, Division of Grants Management, OPS/SAMHSA, Rockwall II, 6th floor, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-9666, E-Mail: shudak@samhsa.gov.

Public Health System Reporting Requirements: The Public Health System Impact Statement (PHSIS) is intended to keep State and local health officials apprised of proposed health services grant and cooperative agreement applications submitted by community-based nongovernmental organizations within their jurisdictions. Community-based nongovernmental service providers who are not transmitting their applications through the State must submit a PHSIS to the head(s) of the appropriate State and local health agencies in the area(s) to be affected not later than the pertinent receipt date for applications. This PHSIS consists of the following information:

- (a) A copy of the face page of the application (Standard form 424).
- (b) A summary of the project (PHSIS), not to exceed one page, which provides:
 - (1) A description of the population to be served.
 - (2) A summary of the services to be provided.
 - (3) A description of the coordination planned with the appropriate State or local health agencies.

State and local governments and Indian Tribal Authority applicants are not subject to the Public Health System Reporting Requirements. Application guidance materials will specify if a particular FY 2002 activity is subject to the Public Health System Reporting Requirements.

PHS Non-use of Tobacco Policy Statement: The PHS strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994,

prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Executive Order 12372: Applications submitted in response to the FY 2002 activity listed above are subject to the intergovernmental review requirements of Executive Order 12372, as implemented through DHHS regulations at 45 CFR Part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. A current listing of SPOCs is included in the application guidance materials. The SPOC should send any State review process recommendations directly to: Division of Extramural Activities, Policy, and Review, Substance Abuse and Mental Health Services Administration, Parklawn Building, Room 17-89, 5600 Fishers Lane, Rockville, Maryland 20857.

The due date for State review process recommendations is no later than 60 days after the specified deadline date for the receipt of applications. SAMHSA does not guarantee to accommodate or explain SPOC comments that are received after the 60-day cut-off.

Dated: May 22, 2002.

Executive Officer, SAMHSA.
