Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

AGENCY: U.S. Census Bureau.

Title: 2001 Panel of the Survey of Income and Program Participation, Wave 6 Topical Modules.

Form Number(s): SIPP 21505(L) Director's Letter; SIPP/CAPI Automated Instrument, SIPP 21003 Reminder Card.
Agency Approval Number: 0607-0875.

Type of Request: Revision of a currently approved collection.

Burden: 120,428 hours.

Number of Respondents: 78,750.

Avg Hours Per Response: 30 minutes.

Needs and Uses: The U.S. Census Bureau requests authorization from the Office of Management and Budget (OMB) to conduct the Wave 6 Topical Module interview for the 2001 Panel of the Survey of Income and Program Participation (SIPP). We also request approval for a few replacement

questions in the reinterview instrument. The core SIPP instrument and reinterview instrument were cleared previously. The reinterview instrument will be used for quality control purposes. We are also seeking continued clearance for the SIPP Methods Panel instrument field testing to be conducted in November and December 2002. The test targets SIPP Wave 2 items and sections that require thorough and rigorous testing in order to improve the quality of core data. The experiment is conducted under the direction of the Methods Panel Team, which is committed to delivering an improved and less burdensome instrument for use in the 2004 SIPP Panel.

The SIPP is designed as a continuing series of national panels of interviewed households that are introduced every few years, with each panel having durations of 3 to 4 years. The 2001 SIPP Panel is scheduled for three years and will include nine waves beginning February 1, 2001.

The survey is molded around a central "core" of labor force and income questions that remain fixed throughout the life of a panel. The core is supplemented with questions designed to answer specific needs. These supplemental questions are included with the core and are referred to as "topical modules." The topical modules for the 2001 Panel Wave 6 are Medical Expenses and Utilization of Health Care (Adults and Children), Work Related Expenses and Child Support Paid, and Assets, Liabilities, and Eligibility. Wave 6 interviews will be conducted from October 2002 through January 2003.

Data provided by the SIPP are being used by economic policymakers, the Congress, state and local governments, and Federal agencies that administer social welfare or transfer payment programs, such as the Department of Health and Human Services and the Department of Agriculture. The SIPP represents a source of information for a wide variety of topics and allows information for separate topics to be integrated to form a single and unified database so that the interaction between tax, transfer, and other government and private policies can be examined. Government domestic policy formulators depend heavily upon the SIPP information concerning the distribution of income received directly as money or indirectly as in-kind benefits and the effect of tax and transfer programs on this distribution. They also need improved and expanded data on the income and general economic and financial situation of the U.S. population. The SIPP has provided these kinds of data on a continuing basis

since 1983, permitting levels of economic well-being and changes in these levels to be measured over time.

Affected Public: Individuals or households.

Frequency: Every 4 months.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Madeleine Clayton, Departmental Paperwork Clearance Officer, (202) 482-3129, Department of Commerce, room 6608, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at mclayton@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: May 21, 2002.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Rescission of Antidumping Duty Administrative Review.

EFFECTIVE DATE: May 28, 2002.

FOR FURTHER INFORMATION CONTACT: Chris Brady, AD/CVD Enforcement, Office 4, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4406.

SUPPLEMENTARY INFORMATION:

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as

amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 CFR Part 351 (2002).

Background

On February 1, 2002, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the antidumping duty orders on certain cut-to-length carbon-quality steel plate (CTL plate) from France, Italy, Indonesia, India, Japan, and the Republic of Korea (67 FR 4945, 4946).

On March 27, 2002, the Department initiated administrative reviews of the antidumping duty orders on CTL plate from France, Italy, Indonesia, India, Japan, and the Republic of Korea for the period February 1, 2001, through January 31, 2002, (67 FR 14696, 14697) pursuant to requests made by Bethlehem Steel Corporation and United States Steel Corporation (collectively "the petitioners") on February 28, 2002. Also on February 28, 2002, Nucor Corp. requested an administrative review for only the Republic of Korea for the period February 1, 2001, through January 31, 2002. On April 26, 2002, the petitioners withdrew their request for the administrative reviews of CTL plate from France, Italy, Indonesia, India, Japan, and the Republic of Korea. In accordance with 19 CFR 351.213(d)(1), the Department is rescinding the administrative reviews covering France, Italy, Indonesia, India, and Japan because the petitioners have withdrawn their requests for an administrative review in a timely manner and they were the only petitioners to request those reviews.

However, as Nucor Corp. has not withdrawn its request that the Department conduct an administrative review of the order on CTL plate from the Republic of Korea, this review will proceed.

Rescission of Review

Section 351.213(d)(1) of the Department's regulations provides that a party that requests an administrative review may withdraw the request within 90 days after the date of publication of the notice of initiation of the requested administrative review. The Department is rescinding the administrative reviews of the order on CTL plate from France, Italy, Indonesia, India, and Japan because the requesting
