#### Gulf States Pipeline Corporation; Notice of Petition for Rate Approval

May 23, 2002.

Take notice that on April 30, 2002, Gulf States Pipeline Corporation (GSP) filed pursuant to section 284.123(b)(2) of the Commission's regulations, a petition for rate approval requesting that the Commission approve the proposed rates as fair and equitable for transportation services performed under section 311 of the Natural Gas Policy Act of 1978 (NGPA). GSP requests that the Commission determine that its current maximum rates of \$.3448 per MMBtu for interruptible transportation and \$.1314 per MMBtu commodity charge and \$6.49 monthly demand charge for firm transportation remain fair and equitable at this time. GSP also requests continuation of the maximum fuel retention percentage of 2%.

Pursuant to section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the date of this filing, the rates will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150 day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

All such motions or protests must be filed with the Secretary of the Commission on or before June 7, 2002.
