or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

Motions to intervene and protests may be filed electronically via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission’s Web site (http://www.ferc.gov) under the “e-Filing” link.

k. Status of environmental analysis:
This application is not ready for environmental analysis at this time.

l. The existing St. Lawrence-FDR Power Project is part of the International St. Lawrence Power Project which spans the international portion of the St. Lawrence River and consists of two power developments: (1) the Robert H. Saunders Generating Station and (2) St. Lawrence-FDR Power Project. The Power Authority of the State of New York operates the St. Lawrence-FDR Power Project and the Ontario Power Generation operates the Robert H. Saunders Generating Station (located in Canada and not subject to the jurisdiction of the Commission).

The St. Lawrence-FDR Power Project facilities include (a) all or portions of four dams (Robert Moses Power Dam, Long Sault Dam, Massena Intake, and the U.S. portion of the Iroquois Dam), (b) generating facilities, (c) the U.S. portion of a reservoir (Lake St. Lawrence), (d) seven dikes, and (e) appurtenant facilities. The project has a total installed capacity of 912,000-kW and an average annual generation of about 6,650,000 megawatt hours. All generated power is utilized within the applicant’s electric utility system.

A copy is also available for inspection and reproduction at both of the addresses in item h above.

n. Individuals desiring to be included on the Commission’s mailing list should so indicate by writing to the Secretary of the Commission.

o. Procedural schedule and final amendments: The application will be processed according to the following milestones, some of which may be combined to expedite processing:

Milestone Activity

Notice soliciting final terms and conditions
Notice of the availability of the draft NEPA document
Notice of the availability of the final NEPA document
Order issuing the Commission’s decision on the application
Final amendments to the application must be filed with the Commission no later than 45 days from the issuance date of the notice soliciting final terms and conditions.

p. With this notice, we are initiating consultation with the New York State Historic Preservation Officer (SHPO), as required by §106, National Historic Preservation Act, and the regulations of the Advisory Council on Historic Preservation, 36 CFR 800.4.

q. Protests or Motions to Intervene—Anyone may submit a protest or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, 385.211, and 385.214. In determining the appropriate action to take, the Commission will consider all protests filed, but only those who file a motion to intervene in accordance with the Commission’s Rules may become a party to the proceeding. Any protests or motions to intervene must be received on or before the specified deadline date for the particular application.

Filing and Service of Responsive Documents—All filings must (1) appear in all capital letters the title “PROTEST” or “MOTION TO INTERVENE;” (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.201 through 385.205. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application.

ENVIRONMENTAL PROTECTION AGENCY

[FRL–7217–6]

Office of Solid Waste Notice of Availability of Report to Congress

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of availability.

SUMMARY: This document announces the availability of the Agency’s Report to Congress, “Evaluating the Consensus Best Practices Developed through the Howard Hughes Medical Institute’s Collaborative Hazardous Waste Management Demonstration Project and the Need for Regulatory Changes to Carry Out Project Recommendations.”

The Report was prepared at the direction of the Fiscal Year 2001 Departments of Veterans Affairs, Housing and Urban Development and Independent Agencies Appropriations Committee (Senate Report 106–410 and House Report 106–674 accompanying H.R. 4635). The Report discusses a collaborative project EPA participated in with the Howard Hughes Medical Institute, ten major academic research institutions, and states. The collaborative project established and evaluated a performance-based approach to management of hazardous wastes in the laboratories of academic research institutions.
