Agency Form Number: ITA-357P.

Administration, AD/CVD Enforcement, implements the U.S. antidumping and countervailing duty laws. Import Administration investigates allegations of unfair trade practices by foreign governments and producers and, in conjunction with the U.S. International Trade Commission, can impose duties on the product in question to offset the unfair practices. Form ITA-357P—Format for Petition Requesting Relief Under the U.S. Antidumping Duty Law—is designed for U.S. companies or industries that are unfamiliar with the antidumping law and the petition process. The Form is designed for potential petitioners that believe that an industry in the United States is being injured because a foreign competitor is selling a product in the United States at less than fair value. Since a variety of detailed information is required under the law before initiation of an antidumping duty investigation, the Form is designed to extract such information in the least burdensome manner possible.

Affected Public: Businesses or other for-profit.
Frequency: On occasion.
Respondent's Obligation: Required to obtain or retain a benefit.
OMB Desk Officer: David Rostker, (202) 395-3897.

In accordance with section 351.213 (b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of June 2002. If the Department does not receive, by the last

day of June 2002, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.
