Submission for OMB Review: Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance of the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: Commercial News USA.

Agency Form Number: ITA-4063P.

OMB Number: 0625-0061.

Type of Request: Regular Submission. *Burden:* 733 hours.

Number of Respondents: 2,200.

Avg. Hours Per Response: 20 minutes.

Needs and Uses: Commercial News USA (CNUSA), published twelve times a year by a private sector firm, is the U.S. Department of Commerce's export catalog-magazine. The product information in CNUSA reaches more than 145,000 distributors, government officials, and potential buyers overseas through direct distribution from U.S. embassies and consulates. Firms use the form to request that their product information be published in CNUSA, a service for which the firms pay a minimum fee of \$695.

This information collection item allows the U.S. Department of Commerce to promote U.S. products and services available for export as part of the USDOC's trade promotion activities. CNUSA is a unique export promotion service for U.S. manufacturers and service firms; nothing similar is available to them through the private sector. The product promotions in CNUSA differ from paid advertisements in that they must meet program criteria. Because U.S. embassies and consulates handle distribution, the product information reaches a vast, screened readership not only through direct dissemination but also via counseling by commercial officers and through walk-in visits to commercial libraries where CNUSA is displayed. Further, American Chambers of Commerce, local business editors, and other trade entities that reprint information from CNUSA or display or disseminate the entire magazine provide a multiplier effect.

Affected Public: Business or other for profit, not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.

Copies of the above information collection can be obtained by calling or writing Madeleine Clayton, Departmental Paperwork Clearance Officer, (202) 482-3129, Department of Commerce, Room 6608, 14th & Constitution Avenue, NW., Washington, DC 20230 or via the Internet at MClayton@doc.gov.

Submission for OMB Review: Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance of the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: User Satisfaction Surveys.

Agency Form Number: ITA-4107P, ITA-4110P, etc.

OMB Number: 0625-0217.

Type of Request: Regular Submission. *Burden:* 3,298 hours.

Number of Respondents: 20,780.

Avg. Hours Per Response: Range from 05-30 minutes.

Needs and Uses: ITA provides numerous export promotion programs to help U.S. businesses. These programs include information products, services, and trade events. To accomplish its mission effectively, ITA needs ongoing feedback on its programs. These information collection items allow ITA to solicit clients' opinions about the use of ITA products, services, and trade events. The information is used for program improvement, strategic planning, allocation of resources, and performance measures.

The surveys are part of ITA's effort to implement objectives of the National Performance Review (NPR) and Government Performance and Results Act (GPRA). Responses to the surveys will meet the needs of ITA performance measures based on NPR and GPRA guidelines. These performance measures will serve as a basis for justifying and allocating human and financial resources.

Survey responses will acquaint ITA managers with firms' perceptions and assessments of export-assistance products and services. Also, the surveys will enable ITA to track the performance of overseas posts. This information is critical for improving the programs. Survey responses are used to assess client satisfaction, determine priorities, and identify areas where service levels and benefits differ from client expectations. Clients benefit because the information is used to improve services provided to the public. Without this information, ITA is unable to systematically determine client perceptions about the quality and benefit of its export-promotion programs.

Affected Public: Business or other for profit, not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: Export Trading Companies Contact Facilitation Service.

Agency Form Number: ITA 4094P.
OMB Number: 0625-0120.

Type of Request: Regular Submission.
Burden: 3,000 hours.

Number of Respondents: 12,000.

Avg. Hours Per Response: 15 minutes.

Needs and Uses: Title III of the Export Trading Company Act of 1982 (Pub. L. No. 97-290, 96 Stat. 1233-1247), requires the Department of Commerce to establish a program to evaluate applications for Export Trade Certificates of Review and, with the concurrence of the Department of Justice, issue such certificates where the requirements of the Act are satisfied.

The Act requires that Commerce, with Justice concurrence, issue regulations governing the evaluation and issuance of certificates before Commerce can accept applications for certification. The collection of information is necessary for the antitrust analysis which is a prerequisite to issuance of a certificate. Without the information, there would be no basis upon which a certificate could be issued.

In the Department of Commerce, this economic and legal analysis will be performed by the Office of Export Trading Company Affairs and the Office of the General Counsel. The Department of Justice analysis will be conducted by the Antitrust Division. The purpose of such analysis is to make a determination as to whether or not to approve an application and issue an Export Trade Certificate of Review. If this information

is not collected, the antitrust analysis cannot be performed and without that analysis no certificate can be issued. A certificate provides its holder and members named in the certificate (a) immunity from government actions under state and Federal antitrust laws for the export conduct specified in the certificate; (b) some protection from frivolous private suits by limiting their liability in private actions to actual damages when the challenged activities are covered by an Export Certificate of Review. Title III was enacted to reduce uncertainty regarding application of U.S. antitrust laws to export activities—especially those involving actions by domestic competitors.

Affected Public: Businesses or other for-profit, not-for-profit institutions, state, local or tribal Government.

Frequency: On Occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.
