

applicants propose minor new road construction to avoid driving in the bed of Spruce Creek. The new access request would require much less construction and result in less adverse impact on park resources and values than the original access request to construct and operate a lodge. NPS is issuing an environmental assessment (EA) to evaluate the impacts of the new access request and alternatives. The EA will be made available to those who commented on the draft EIS and other interested parties.

Information about time and place will be available by contacting the park at the address below. Open house schedules will be published in local papers.

ADDRESSES: Copies of the DCMP/DEIS are available upon request by writing to Wilson's Creek National Battlefield, 6424 W. Farm Road 182, Republic, Missouri, 65738-9514. The document can be picked-up in person at the Battlefield's headquarters located at the address above.

SUPPLEMENTARY INFORMATION: The purpose of the general management plan (GMP) is to set forth the basic management philosophy for the Battlefield and to provide the strategies for addressing issues and achieving identified management objectives. The DGMP/DEIS describes and analyzes the environmental impacts of a proposed

action and one action alternatives for the future management direction of the Battlefield. A no action alternative is also evaluated. Alternative B, *Wilson's Creek National Battlefield Commemoration*, the preferred alternative, would focus on efforts to commemorate the Battle of Wilson's Creek and emphasize a reflective and contemplative visitor experience. Recreational use would be allowed but would be managed so as not to conflict with the core mission of the park or the primary visitor experience. Alternative C, *Wilson's Creek Civil War Research Center*, would focus on Wilson's Creek distinctive combination of site integrity and artifact and archival collections in developing the park as an outstanding research center. Alternative A, the no action alternative, would continue management of the Battlefield as it is. Existing programs and program emphasis would not change.

Persons wishing to comment may do so by one of several methods. They may attend the open houses noted above. They may mail comments to Superintendent, Wilson's Creek National Battlefield, 6424 W. Farm Road 182, Republic, Missouri, 65738-9514. They also may hand-deliver comments to the Battlefield at the above address.
