### Postponement of Preliminary Results

We have determined that we need additional information concerning the nature of respondent's home market merchandise, sales prices, and expenses, in order to make the calculations necessary for the preliminary results. Because of these unresolved issues, we consider this case to be extraordinarily complicated, and we are extending the time limit for completion of the preliminary results until September 19, 2002, in accordance with section 751(a)(2)(B)(iv) of the Tariff Act and section 351.214(i)(2) of the Department's regulations.
