

Loan Sale Procedure: SBA will use a competitive online block auction process as the method to sell the majority of the Loans. SBA will offer certain pools of Loans in an online designated loan pool auction format. SBA believes a competitive bid auction sale optimizes the return on the sale of loans and attracts the largest field of interested parties. A competitive bid auction also provides the quickest and most efficient vehicle for SBA to dispose of the Loans.

Post Sale Servicing Requirements: The Loans will be sold servicing released. Purchasers of the Loans and their successors and assigns will be required to service the Loans in accordance with the applicable provisions of the Loan Sale Agreement for the life of the Loans. In addition, the Loan Sale Agreement establishes certain requirements that a servicer must satisfy in order to service the Loans.

Scope of Notice: This notice applies to Loan Sale #6 and does not establish agency procedures and policies for other loan sales. If there are any conflicts between the Bidder Information Package and this Notice, the Bidder Information Package shall prevail.

Dated: May 30, 2002.
