To comply with the public consultation process, on November 26, 2001, we published a **Federal Register** notice (66 FR 59024) announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. In addition, § 250.199 provides the OMB control numbers for the information collection requirements imposed by the 30 CFR part 250 regulations and forms. That regulation also informs the public that they may comment at any time on these collections of information and provides the address to which they should send comments. We have received no comments in response to these efforts. The required PRA public disclosure and comment statements are displayed on forms MMS-132, MMS-1123, and MMS-1832.

If you wish to comment in response to this notice, send your comments directly to the offices listed under the **ADDRESSES** section of this notice. The OMB has up to 60 days to approve or disapprove the information collection but may respond after 30 days. Therefore, to ensure maximum consideration, OMB should receive public comments by July 10, 2002.

Public Comment Policy: Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. There may be circumstances in which we would withhold from the record a respondent’s identity, as allowable by the law. If you wish us to withhold your name and/or address, you must state this

prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

BILLING CODE 4410-AT-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Air Act

Consistent with 28 CFR 50.7, notice is hereby given that on May 17, 2002, proposed consent decrees ("Consent Decrees" in *United States v. Catalina Furniture Co., Inc., and Capital Cabinet Corporation*, Civil Action No. CIV-02-03974 (GHK)(RZx) were lodged with the United States District Court for the Central District of California.

The Consent Decrees resolve claims that the United States asserted against Catalina and Capital in a civil complaint filed concurrently with the lodging of the Consent Decrees. The complaint alleges violations of the Clean Air Act at a facility located in La Mirada, California owned by Capital and operated by Catalina. Catalina operated a wood furniture manufacturing facility. Catalina leased the facility along with four spray booths from Capital. Capital transferred its permits for the spray booths to Catalina. Catalina installed an additional eleven spray booths. The complaint alleges that Catalina failed to obtain permits to construct or operate the spray booths; that Catalina failed to install equipment to meet the Lowest Achievable Emissions Rate; that Catalina failed to obtain emission reduction credits; that Capital allowed the operation of its spray booths without obtaining permits or installing necessary control equipment; and that Capital illegally attempted to transfer its permits, all in violation of the Clean Air Act and the State Implementation Plan. Catalina has ceased operations at the facility and its assets have been sold.

The Consent Decrees requires Catalina to pay a civil penalty of \$50,000, plus interest and Capital to pay a civil penalty of \$30,000 plus interest. Capital must surrender its permits for the four spray booths and relinquish any right to emission reduction credits. Catalina agrees not to re-commence operations at the La Mirada facility. Catalina also agrees that if it begins operations of coating equipment in the South Coast Air Basin in California it will obtain permits and limit emissions by using ultra-low VOC content coatings.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments

relating to the Consent Decrees. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Catalina Furniture Co., Inc. and Capital Cabinet Corporation*, Civil Action No. CIV-02-03974 (GHK)(RZx) and D.J. Ref. 90-5-2-1-06468.

The Consent Decrees may be examined at the Office of the United States Attorney, Federal Building, Suite 7516, 300 North Los Angeles Street, Los Angeles, California 90015 or at EPA Region 9, 75 Hawthorne Street, San Francisco, California 94105. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. [AAG/A Order No. 268-2002]

Privacy Act of 1974; Notice of the Removal of Two Systems of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), the Department of Justice (DOJ) is removing two published Privacy Act systems of records: the Justice Management Division's (JMD) "Accounting System for the Offices, Boards and Divisions and the United States Marshals Service, JUSTICE/JMD-007;" and the Office of Justice Programs' (OJP) "Financial Management System, JUSTICE/OJP-005."

The reasons for the removal of these two systems of records is that a Department-wide system, entitled "Accounting Systems for the Department of Justice, DOJ-001", published May 28, 1999 at 64 FR 29069, replaced systems which existed for separate Department components. DOJ-001 also included new disclosure provisions. As a result, it is no longer necessary to maintain these two systems of records. Therefore, the "Accounting

System for the Offices, Boards and Divisions and the United States Marshals Service," last published in the **Federal Register** on October 17, 1988 at 53 FR 40527, are removed from the Department's compilation of Privacy Act systems.

Dated: May 30, 2002.
