**ACTION:** Notice of receipt of foreign fishing application.

**SUMMARY:** NMFS publishes for public review and comment a summary of a foreign fishing application submitted under provisions of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act).

**DATES:** Comments must be received by June 26, 2002.

**ADDRESSES:** Send comments or requests for a copy of the application to NMFS, Office of Sustainable Fisheries, International Fisheries Division, 1315 East-West Highway, Silver Spring, MD 20910.

**FOR FURTHER INFORMATION CONTACT:** Robert A. Dickinson, Office of Sustainable Fisheries, (301) 713-2276.

**SUPPLEMENTARY INFORMATION:** Section 204(d) of the Magnuson-Stevens Act (16 U.S.C. 1824(d)) provides, among other things, that the Secretary of Commerce (Secretary) may issue a transshipment permit which authorizes a vessel other than a vessel of the United States to engage in fishing consisting solely of transporting fish or fish products at sea from a point within the U.S. Exclusive Economic Zone (EEZ) or, with the concurrence of a state, within the boundaries of that state to a point outside the United States. NMFS has received an application requesting authorization for a Mexican vessel to receive, within the Pacific waters of the U.S. EEZ south of 38° N. lat., transfers of live tuna from a U.S. purse seiner for the purpose of transporting the tuna alive to the Mexican EEZ.

Section 204(d)(3) of the Magnuson-Stevens Act provides, among other things, that an application may not be approved until the Secretary determines that "no owner or operator of a vessel of the United States which has adequate capacity to perform the transportation for which the application is submitted

has indicated ... an interest in performing the transportation at fair and reasonable rates." NMFS is publishing this notice as part of its effort to make this determination.

Interested U.S. vessel owners and operators may obtain a copy of the complete application from NMFS (see **ADDRESSES**).

Dated: June 4, 2002.

**DEPARTMENT OF DEFENSE**

**Office of the Secretary**

**Worldwide TRICARE Transitional Health Care Demonstration Project**

**AGENCY:** Office of the Secretary, DoD.

**ACTION:** Notice of a worldwide TRICARE transitional health care demonstration project.

**SUMMARY:** This notice is to advise interested parties of a demonstration project in which the Military Health System (MHS) will test whether allowing 60 or 120 days of health care eligibility for dependents of service members who are involuntarily separated from the armed forces is necessary, cost-effective and beneficial to the Department of Defense (DoD). At the end of this Project, DoD will conduct an analysis of the benefits and costs of the program in determining whether transitional health care benefits should continue to be an entitlement for these dependents. Information and experience gained as part of this demonstration project will provide the foundation for longer-term solutions in health care policy development and promulgation. This demonstration project is being conducted under the authority of 10 U.S.C. 1092.

**EFFECTIVE DATE:** This demonstration project applies to all covered health care services provided to dependents of service members who are involuntarily separated from the armed forces on or after January 1, 2002. The DoD will implement the Demonstration upon the announcement of this notice and it will be in effect for 2 years or until rescinded by another authority. In view of the demobilization of over 73,000 reservists and national guardsmen called to active duty in support of deployment to conduct operational missions under Operation Enduring Freedom and Noble Eagle, DoD is waiving the regulation (32 CFR 199.1(o)) requiring at least 30 days notice of a demonstration project prior to its effective date. Waiver of the notice period is deemed necessary to avoid delay in implementing program changes to address obstacles faced by dependents of involuntarily separated service members, reservists and national guardsmen from the onset of the call to active duty.

**FOR FURTHER INFORMATION CONTACT:** LTC Pradeep G. Gidwani, Office of the Assistant Secretary of Defense for Health Affairs, TRICARE Management Activity, (703) 681-3636.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

On December 28, 2001, NDAA 02, Pub. L. 107-107 Subsection 736 (d) eliminated transitional health care eligibility for dependents of service members who are involuntarily separated under honorable conditions or who are separated after being called to or retained on active duty in support of a contingency operation. Section 1145 of Title 10 entitles active duty members departing under such conditions to a period of transitional health care coverage but does not extend coverage for their dependents. Previously, dependents of separated service members supporting contingency operations were entitled up to 30 days of transitional care and dependents of involuntarily separated service members were entitled to 60 days of transitional coverage if the member had been on active duty less than six years or 120 days of transitional coverage if the member had been on active duty for six years or more.

The DoD expects most of these separated service members and their dependents to acquire other health insurance (OHI). Dependents and departing service members could face undue financial hardships during this transition. Accordingly, the Secretary of Defense is authorizing a demonstration project (under Title 10 U.S.C. 1092) for the Department to cover the cost of transitional health care for the dependents of these separated service members effective January 1, 2002.

The Demonstration applies to the dependents of the following members of the armed forces:

A. A member who is involuntarily separated from active duty.

B. A member of a reserve component who is separated from active duty to which called or ordered in support of a contingency operation if the active duty is for a period of more than 30 days.

C. A member who is separated from active duty for which the member is involuntarily retained under 10 U.S.C. 12305, in support of a contingency operation.

D. A member who is separated from active duty pursuant to a voluntary agreement of the member to remain on active duty for a period of less than one year in support of a contingency mission.

The health care available under this Demonstration shall be as follows:
