

Department published in the Federal Register the preliminary determination in the antidumping duty investigation of imports of certain cold-rolled carbon steel flat products from Spain. See *Notice of Preliminary Determination of Sales at Less than Fair Value: Certain Cold-Rolled Carbon Steel Flat Products from Spain*, 67 FR 31248 (May 9, 2002).

Pursuant to section 735(a)(2)(A) of the Act, on May 13, 2002, the respondent requested that the Department postpone its final determination until no later than 135 days after the date of the publication of the preliminary determination in the **Federal Register**. In accordance with 19 CFR

351.210(e)(2), the respondent consented to the extension of provisional measures to no longer than six months in its request for postponement. In accordance with 19 CFR 351.210(b)(2)(ii), because our preliminary determination is affirmative, because no compelling reasons for denial exist, and because the exporter accounts for a significant proportion of exports of subject merchandise, we are granting the respondent's request and are postponing the final determination until no later than September 23, 2002. Furthermore, any provisional measures imposed by this investigation will be extended from a four-month period to not more than six months.

This notice is issued and published pursuant to section 735(d) of the Act and 19 CFR 351.210(g).

#### **Engineered Process Gas Turbo-Compressor Systems from Japan: Final Results of Five-Year ("Sunset") Review and Revocation of Antidumping Duty Order.**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of final results and revocation of antidumping duty order on engineered process gas turbo-compressor systems from Japan.

**SUMMARY:** On May 1, 2002, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on

engineered process gas turbo-compressor systems from Japan (67 FR 21632). Because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking this antidumping duty order.

**EFFECTIVE DATE:** June 16, 2002

**FOR FURTHER INFORMATION CONTACT:**

**SUPPLEMENTARY INFORMATION:**

**The Applicable Statute**

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the "Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's ("Department") regulations are to 19 CFR part 351 (2001).

**Background**

On June 16, 1997, the Department issued an antidumping duty order on engineered process gas turbo-compressor systems from Japan. Pursuant to section 751(c) of the Act, the Department initiated a sunset review of this order by publishing a notice of the initiation in the **Federal Register**, 67 FR 21632 (May 1, 2002). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for this proceeding to inform them of the automatic initiation of the sunset review of this order.

Because the Department did not receive a response from any domestic interested party to the sunset review notice of initiation by the applicable deadline, May 16, 2002, the Department notified the International Trade Commission on May 24, 2002, that it intended to issue a final determination revoking this antidumping duty order.

**Determination to Revoke**

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the sunset review, revoking the order or

terminating the suspended investigation. Because no domestic interested party filed a response to the notice of initiation, the Department finds that no domestic interested party is participating in this review, and it is revoking this antidumping duty order.

**Effective Date of Revocation**

Pursuant to sections 751(c)(3)(A) and 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the Department will instruct the Customs Service to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after June 16, 2002. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation. The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.
