

Department published in the Federal Register the preliminary determination in the antidumping duty investigation of imports of certain cold-rolled carbon steel flat products from Spain. *See Notice of Preliminary Determination of Sales at Less than Fair Value: Certain Cold-Rolled Carbon Steel Flat Products from Spain*, 67 FR 31248 (May 9, 2002).

Pursuant to section 735(a)(2)(A) of the Act, on May 13, 2002, the respondent requested that the Department postpone its final determination until no later than 135 days after the date of the publication of the preliminary determination in the **Federal Register**. In accordance with 19 CFR

351.210(e)(2), the respondent consented to the extension of provisional measures to no longer than six months in its request for postponement. In accordance with 19 CFR 351.210(b)(2)(ii), because our preliminary determination is affirmative, because no compelling reasons for denial exist, and because the exporter accounts for a significant proportion of exports of subject merchandise, we are granting the respondent's request and are postponing the final determination until no later than September 23, 2002. Furthermore, any provisional measures imposed by this investigation will be extended from a four-month period to not more than six months.

This notice is issued and published pursuant to section 735(d) of the Act and 19 CFR 351.210(g).

Engineered Process Gas Turbo-Compressor Systems from Japan: Final Results of Five-Year ("Sunset") Review and Revocation of Antidumping Duty Order.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results and revocation of antidumping duty order on engineered process gas turbo-compressor systems from Japan.

SUMMARY: On May 1, 2002, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on

engineered process gas turbo-compressor systems from Japan (67 FR 21632). Because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking this antidumping duty order.

EFFECTIVE DATE: June 16, 2002

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the "Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's ("Department") regulations are to 19 CFR part 351 (2001).

Background

On June 16, 1997, the Department issued an antidumping duty order on engineered process gas turbo-compressor systems from Japan. Pursuant to section 751(c) of the Act, the Department initiated a sunset review of this order by publishing a notice of the initiation in the **Federal Register**, 67 FR 21632 (May 1, 2002). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for this proceeding to inform them of the automatic initiation of the sunset review of this order.

Because the Department did not receive a response from any domestic interested party to the sunset review notice of initiation by the applicable deadline, May 16, 2002, the Department notified the International Trade Commission on May 24, 2002, that it intended to issue a final determination revoking this antidumping duty order.

Determination to Revoke

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the sunset review, revoking the order or

terminating the suspended investigation. Because no domestic interested party filed a response to the notice of initiation, the Department finds that no domestic interested party is participating in this review, and it is revoking this antidumping duty order.

Effective Date of Revocation

Pursuant to sections 751(c)(3)(A) and 751(d)(2) of the Act and 19 CFR 351.222(i)(2)(i), the Department will instruct the Customs Service to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after June 16, 2002. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation. The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

Notice of Amended Final Determination of Sales at Less Than Fair Value: IQF Red Raspberries from Chile.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Amended Final Determination of Sales at Less Than Fair Value.

EFFECTIVE DATE: June 12, 2002.

FOR FURTHER INFORMATION CONTACT: Cole Kyle or Blanche Ziv, (202) 482-1503 or (202) 482-4207, respectively; Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995,

the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce ("the Department") regulations are to 19 CFR Part 351 (April 2001).

Scope of Investigation

The products covered by this investigation are imports of IQF whole or broken red raspberries from Chile, with or without the addition of sugar or syrup, regardless of variety, grade, size or horticulture method (e.g., organic or not), the size of the container in which packed, or the method of packing. The scope of the investigation excludes fresh red raspberries and block frozen red raspberries (i.e., puree, straight pack, juice stock, and juice concentrate).

The merchandise subject to this investigation is classifiable under section 0811.20.2020 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise under investigation is dispositive.

Amended Final Determination

On May 15, 2002, the Department determined that individually quick frozen ("IQF") red raspberries from Chile are being sold in the United States at less than fair value ("LTFV"), as provided in section 735(a) of the Act. *See Notice of Final Determination of Sales at Less Than Fair Value: IQF Red Raspberries from Chile*, 67 FR 35790 (May 21, 2002). On May 28, 2002, we received a ministerial error allegation, timely filed pursuant to 19 CFR 351.224(c)(2), from the IQF Red Raspberries Fair Trade Committee and the IQF Committee of the Washington Red Raspberry Commission ("the petitioners") regarding the Department's final margin calculations. The petitioners requested that we correct the error and publish a notice of amended final determination in the **Federal Register**, pursuant to 19 CFR 351.224(e). The petitioners' submission alleges that the Department failed to correct the margin program for Fruticola Olmue ("Olmue") pursuant to the Department's findings at verification¹. Specifically, the petitioners allege that the Department inadvertently applied the incorrect indirect selling expense factor in calculating Olmue's third country

indirect selling expense in the margin calculations. Olmue did not submit comments on the ministerial error allegation.

In accordance with section 735(e) of the Act, we have determined that a ministerial error in the calculation of Olmue's indirect selling expenses for U.S. and third country sales was made in our final margin calculations. For a detailed discussion of the above-cited ministerial error allegation and the Department's analysis, *see* Memorandum to Richard W. Moreland, "Allegation of Ministerial Error; Final Determination in the Antidumping Duty Investigation of IQF Red Raspberries from Chile" dated May 29, 2002, which is on file in the Central Records Unit ("CRU"), room B-099 of the main Department building.

Therefore, in accordance with 19 CFR 351.224(e), we are amending the final determination of the antidumping duty investigation of IQF red raspberries from Chile to correct this ministerial error. Accordingly, we have revised Olmue's margin. We also revised the "All Others" rate. The revised final weighted-average dumping margins are as follows:

Exporter/Manufacturer	Original Weighted-average margin percentage	Revised Weighted-average margin percentage
Comercial Fruticola	0.50	0.50
Exportadora Frucol	0.00	0.00
Fruticola Olmue	5.98	6.33
All Others ²	5.98	6.33

² Pursuant to section 735(c)(5)(A) of the Act, we have excluded from the calculation of the all-others rate margins which are zero or de minimis.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, we are directing the U.S. Customs Service ("Customs") to continue to suspend liquidation of all imports of IQF red raspberries from Chile, except for subject merchandise produced by Exportadora Frucol and Comercial Fruticola (which have zero and *de minimis* weighted-average margins, respectively). Customs shall require a cash deposit or the posting of a bond equal to the weighted-average amount by which the normal value exceeds the export price as indicated in the chart above. These suspension of liquidation instructions will remain in effect until further notice.

ITC Notification

In accordance with section 735(d) of the Tariff Act, we have notified the International Trade Commission of our amended final determination.

This determination is issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.
