FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission

June 7, 2002.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden

invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before July 15, 2002. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Judith Boley Herman, Federal Communications Commission, Room 1-C804, 445 12th Street, SW., DC 20554 or via the Internet to jboley@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Judith Boley Herman at 202-418-0214 or via the Internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-1004.

Title: Orders Re: E911 Act.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, state, not-for-profit institutions, and state, local or tribal governments.

Number of Respondents: 6 respondents; 22 responses.

Estimated Time Per Response: 5 hours.

Frequency of Response: Recordkeeping requirement, quarterly, semi-annual reporting requirement.

Total Annual Burden: 110 hours.

Total Annual Cost: N/A.

Needs and Uses: The quarterly and supplemental reports will be used by the Commission to monitor carrier

progress of Phase I and Phase II deployment in transition to E911, and to facilitate the prompt enforcement of the E911 implementation milestones and other requirements of the plans. This will ensure that this important effort will continue in an orderly and timely fashion. The Commission is seeking the full three-year OMB approval for this collection of information.

OMB Control No.: 3060-1008.

Title: Reallocation and Service Rules for the 698-746 MHz Band (Television Channels 52-59).

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit, and state, local or tribal governments.

Number of Respondents: 734.

Estimated Time Per Response: .084 hours (five minutes).

Frequency of Response: Recordkeeping requirement, on occasion reporting requirement, and third party disclosure requirement.

Total Annual Burden: 367 hours.

Total Annual Cost: N/A.

Needs and Uses: The Commission adopted allocation and service rules for the 698-746 MHz spectrum band which is being reallocated pursuant to statutory requirements. The Commission took this action to support the development of new services in the lower 700 MHz band, and to protect existing television operations that will occupy the band throughout the transition to digital television.

Section 27.50(c)(5) provides that licensees intending to operate a base or fixed station at a power level greater than 1 kW ERP must provide advanced notice of such operation to the Commission and to licensees authorized in their area of operation. Notices must provide the location and operating parameters of the base or fixed station operating at a power level greater than 1 kW ERP, including the station's ERP, antenna coordinates, antenna height above ground, and vertical antenna pattern, and such notices must be provided at least 90 days prior to the commencement of station operation. The service rules have been designed to promote the development and rapid deployment of new technologies, products, and services for the benefit of the public; to promote economic opportunity and competition; and to create the efficient and intensive use of the spectrum by promoting the objectives identified in 47 U.S.C. 309(j).

Federal Communications Commission.

FEDERAL EMERGENCY MANAGEMENT AGENCY

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a proposed new collection of information. This notice seeks comments concerning the creation and use of evaluation forms for arbitrators and claimants. The request is submitted under the emergency processing procedures in Office of Management and Budget (OMB) regulation 5 CFR 1320.13. FEMA is requesting that this collection of information be approved by July 7, 2002. The approval will authorize FEMA to use the collection through January 31, 2003..

FEMA plans to follow this emergency request with a request for a 3-year approval. The request will be processed under OMB's normal clearance procedures in accordance with the provisions of OMB regulation 5 CFR 1320.10. To help us with the timely processing of the emergency and normal clearance submissions to OMB, FEMA invites the general public to comment on the proposed collection of information. This notice and request for comments is in accordance with the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)).

SUPPLEMENTARY INFORMATION: The Cerro Grande Fire Assistance Act is authorized under Public Law 106-246, Division C, and is implemented by FEMA regulation 44 CFR 295.46. The Act establishes the Cerro Grande Fire Claim Program to provide assistance to claimants who were adversely impacted

when the National Park Service's prescribed burn flared out of control at Bandolier National Monument, New Mexico, on May 4, 2000. This collection of information surveys claimants and arbitrators who participate in the Agency's Alternative Dispute Resolution process. The survey questionnaires provide feedback to the Agency on customer satisfaction and for program quality improvement purposes. It will assist us in complying with goals and objectives of the Government Performance Results Act (GPRA).

Collection of Information

Title: Cerro Grande Arbitrator Questionnaire and Cerro Grande Claimant Questionnaire.

Type of Information Collection: New.

Abstract: The survey questionnaires will be used to gather information on how satisfied participants are with the arbitration currently in place. The respective arbitrator and claimant will be asked to complete the survey questionnaire and submit it to FEMA's Alternative Dispute Resolution Office after arbitration. This is strictly voluntary. The information will be collected over the course of the year and submitted to the Office of General Counsel in an End of Year Report. The information will also be formulated to answer specific questions regarding the satisfaction with the program. The information will also provide ways to improve the program so that it continues to provide a fair resolution to the claimant's problems and that its processes are the least burdensome and the most time- and cost-effective to the claimant, the arbitrator, and to the Federal Government.

Affected Public: Individuals and households; business or other for-profit; not-for-profit institutions; farms; Federal government; and State, local or tribal governments.

Estimated Total Annual Burden Hours: 205 hours.

FEMA forms	Number of respondents	Frequency of response	Hours per response	Annual burden hours
	(A)	(B)	(C)	(A x B x C)
Arbitrators	420	*1	.25	105
Claimants	400	1	.25	100
Total	42825	205

Estimated Cost: The total estimated burden hours is 205 hours based on 428 respondents surveyed once (arbitrators' frequency of response refers to one response per case/arbitration).

Arbitrators hourly rate is estimated at \$150, or \$38 per arbitration. The estimated total annual cost for arbitrators is \$15,960. The cost for claimants is estimated at \$13.42 per

hour or \$3.50 per response. The estimated total annual cost for claimants is \$1,400.

Comments: Written comments are solicited to (a) evaluate whether the
