Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), notice is given that the Federal Bureau of Prisons (Bureau) proposes to modify its system of records entitled "Inmate Safety and Accident Compensation Record System, JUSTICE/BOP-008." This system, which was last published on September 28, 1978 (43 FR 44736), is now being modified and will become effective 60 days from the date of publication.

The Bureau is updating the system's locations and modifying the system to include all individuals placed directly under the custody of the Bureau pursuant to 18 U.S.C. 3621 and 5003 (state inmates). Several sections have been modified to reflect new technical improvements such as digital recordings and Compact Discs (CDs) and new agency practices regarding the storage and safeguarding of automated information. The entire Routine Use section has been reorganized and expanded to add new routine uses. Several previously-published routine uses have been incorporated into the Purpose Section of the Notice. The system manager has been re-designated. The exemptions from certain provisions of the Privacy Act remain the same as previously promulgated and codified in 28 CFR 16.97(a) and (b).

Title 5 U.S.C. 552a (e)(4) and (11) provide that the public be provided a 30-day period in which to comment. The Office of Management and Budget (OMB), which has oversight responsibilities under the Privacy Act, requires that it be given a 40-day period in which to review the system.

Therefore, please submit any comments by July 18, 2002.

The public, OMB, and the Congress are invited to send written comments to Mary Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (1400 National Place Building).
