Take notice that on May 31, 2002, Dow Intrastate Gas Company (DIGCO) filed, pursuant to Section 284.123(b)(2) of the Commission's Regulations, a petition for rate approval for transportation services rendered pursuant to Section 311(a)(2) of the Natural Gas Policy Act of 1978 (NGPA). Pursuant to section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the date of this filing, the rates will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150 day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

UTOS states that copies of its filing has been sent to all affected customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations.
