Review of Grant Applications

RUS will review each application for conformance with the provisions of this Notice. RUS may contact the applicant for additional information or clarification. Incomplete applications will not be considered. Applications conforming with this Notice will then be evaluated competitively by a panel of RUS employees selected by the Administrator and points awarded as described in the Scoring Criteria section below. The applications will be ranked and grants awarded in rank order until all grant funds are expended.

Scoring Criteria

Grant awards will be made based on the following scoring criteria as determined by RUS:

- (1) *The need for services and benefits derived from services (up to 40 points)*. This criterion will be used by RUS to score applications based on the documentation in support of the need for services, benefits derived from the services proposed by the project, and local community involvement in planning, implementing, and financial assistance of the project. RUS will consider the extent of the applicant's documentation explaining the challenges facing the community; the applicant's proposed plan to address these challenges; how the grant can help; and why the applicant cannot complete the project without a grant.

(2) *The economic need of the applicant's service area as determined by per capita personal income by County, as determined by the Bureau of Economic Analysis, U.S. Department of Commerce, at www.bea.doc.gov/bea/regional/reis/ (up to 40 points)*.

Applicants will be awarded points as outlined below for service provided in each county where the per capita personal income (PCI) is less than 70 percent of the national average per capita personal income (NAPCI):

- (i) PCI is 70 percent or greater of NAPCI; 0 points;
- (ii) PCI is less than 70 percent and greater than or equal to 60 percent of NAPCI; 10 points;
- (iii) PCI is less than 60 percent and greater than or equal to 50 percent of NAPCI; 20 points;
- (iv) PCI is less than 50 percent and greater than or equal to 40 percent of NAPCI; 30 points;
- (v) PCI is less than 40 percent of NAPCI; 40 points;

If an applicant proposes significant service in more than one county, an average score will be calculated based on each county's individual scores.

(3) *Project services USDA designated EZ/ECs (Empowerment Zone and Enterprise Communities) (10 points) or USDA designated Champion Communities (5 points)*.
