Accordingly, effective May 1, 2002, the Commission instituted antidumping duty investigation No. 731-TA-1010 (Preliminary).

Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of May 8 (67 FR 30963, May 8, 2002). The conference was held in Washington, DC, on May 22, 2002, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on June 17, 2002. The views of the Commission are contained in USITC Publication 3521 (June 2002), entitled *Lawn and Garden Steel Fence Post from China: Investigation No. 731-TA-1010* (Preliminary).
