In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 CFR part 351 (2001).

SUPPLEMENTARY INFORMATION:

Background

On April 17, 2002, the Department issued its final determination in the antidumping duty investigation of folding metal tables and chairs from the People's Republic of China (“PRC”). See *Notice of Final Determination of Sales at Less Than Fair Value: Folding Metal Tables and Chairs from the People's Republic of China*, 67 FR 20090 (April

24, 2002). On May 10, 2002, the Department issued its amended final determination in the antidumping duty investigation of folding metal tables and chairs from the PRC. See *Notice of Amended Final Determination of Sales at Less Than Fair Value: Folding Metal Tables and Chairs from the People's Republic of China*, 67 FR 34898 (May 16, 2002) (“Amended Final Determination”). In the Amended Final Determination, the Department amended the weighted-average margin for Feili Furniture Development Co., Ltd. and Feili (Fujian) Co., Ltd. On June 4, 2002, the International Trade Commission notified the Department of its final determination pursuant to section 735(b)(1)(A)(i) of the Act that an industry in the United States is materially injured by reason of less-than-fair-value imports of folding metal tables and chairs from the PRC. The Commission also determined that critical circumstances do not exist with regard to imports of such merchandise that are subject to the Department's affirmative critical circumstances finding.

Scope of the Investigation

The merchandise subject to this investigation consists of assembled and unassembled folding tables and folding chairs made primarily or exclusively from steel or other metal, as described below:
