Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission determines, pursuant to sections 705(b) and 735(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)) (the Act), respectively, that an industry in the United States is materially injured by reason of imports from India of polyethylene terephthalate film, sheet, and strip (PET film), provided for in subheading 3920.62.00 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce to be subsidized by the Government of India and by reason of imports from India and Taiwan of PET film that have been found by the Department of Commerce to be sold in the United States at less than fair value (LTFV).

Background

The Commission instituted these investigations effective May 17, 2001, following receipt of a petition filed with the Commission and Commerce by DuPont Teijin Films, Wilmington, DE, Mitsubishi Polyester Film of America, Greer, SC, and Toray Plastics (America), Inc., North Kensington, RI. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of PET film from India were being subsidized within the meaning of

section 703(b) of the Act (19 U.S.C. 1671b(b)) and that imports of PET film from India and Taiwan were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of February 1, 2002 (67 FR 4995). Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission determines,² pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is not materially injured or threatened with material injury, and the establishment of an industry in the United States is not materially retarded, by reason of imports from China, Germany, Luxembourg, Russia, South Africa, Spain, and Taiwan of certain structural steel beams, provided for in

subheadings 7216.32.00 and 7216.33.00 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce to be sold in the United States at less than fair value (LTFV).
