A draft environmental impact statement will be prepared and circulated for review by agencies and the public. The Natural Resources Conservation Service invites participation and consultation of agencies and individuals that have special expertise, legal jurisdiction, or interest in the preparation of the draft environmental impact statement. NRCS held a combined public hearing and scoping meeting with the Arkansas Soil and Water Commission on February 1, 2001 at Weiner, Arkansas to discuss this watershed. Comments were received at and following this meeting. In order to comply with the National Environmental Policy Act of 1969 (NEPA), additional comments from the
