Title of Proposal: Public Housing Agency (PHA) Plan.

OMB Control Number: 2577-0226.

Description of the need for the information and proposed use: Public Housing Agencies (PHAs) submit an annual plan for each fiscal year for which the PHA receives tenant-based assistance and public housing operating subsidy. This plan provides a framework for local accountability and to the extent possible, an easily identifiable source by which public housing residents, participants in the housing choice voucher program, and other members of the public may locate PHA policies, rules and requirements concerning its operations, programs and services. The PHA plan is a web-based application (allowing PHAs to retrieve the applicable templates) that allows PHAs to provide their plans to HUD via the Internet. The system allows HUD to track plan submission and to post received and approved plans. Small PHAs update plans every year with limited reporting and any changes for the previous submission.

Agency form numbers, if applicable: Not applicable.

Members of affected public: State, or Local Government.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: 4,100 respondents total, for annual plan update for small PHAs (approximately 2800) reporting on specific categories and any changes from the previous submission, 16 hours per plan, 43,000 total reporting burden and, for annual plan submission for other PHAs, 56 hours per plan, 43,000 total reporting burden. The total annual reporting burden is 86,000 hours.

Status of the proposed information collection: Extension.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35, as amended.

Dated: June 21, 2002.

Paula O. Blunt,

General Deputy Assistant Secretary for Public and Indian Housing.
