

NUCLEAR REGULATORY COMMISSION**Governors' Designees Receiving Advance Notification of Transportation of Nuclear Waste**

On January 6, 1982 (47 FR 596 and 47 FR 600), the Nuclear Regulatory Commission (NRC) published in the **Federal Register** final amendments to

10 CFR parts 71 and 73 (effective July 6, 1982), that require advance notification to Governors or their designees by NRC licensees prior to transportation of certain shipments of nuclear waste and spent fuel. The advance notification covered in Part 73 is for spent nuclear reactor fuel shipments and the notification for Part 71 is for large quantity shipments of radioactive waste (and of spent nuclear

reactor fuel not covered under the final amendment to 10 CFR part 73).

The following list updates the names, addresses, and telephone numbers of those individuals in each State who are responsible for receiving information on nuclear waste shipments. The list will be published annually in the **Federal Register** on or about June 30 to reflect any changes in information.

Civilian Acquisition Workforce Personnel Demonstration Project; Department of Defense

AGENCY: Office of Personnel Management.

ACTION: Notice of amendment to this demonstration in order to list all organizations that are eligible to participate in the project and make the resulting adjustments to the table that describes the project's workforce demographics and union representation.

SUMMARY: The Department of Defense (DoD), with the approval of the Office of Personnel Management (OPM), may conduct a personnel demonstration project within DoD's civilian acquisition workforce and those supporting personnel assigned to work directly with it. (See Section 4308 of the National Defense Authorization Act for Fiscal Year 1996 (Pub. L. 104-106; 10 U.S.C.A. § 1701 note), as amended by section 845 of the National Defense Authorization Act for Fiscal Year 1998

(Pub. L. 105-85)). This notice amends the project plan for this demonstration to list as eligible to participate (1) all organizations composed of civilian acquisition workforce members, that is, personnel in acquisition positions designated pursuant to 10 U.S.C. 1721 and (2) all organizations with teams of personnel in which more than half the team consists of members of the acquisition workforce and the remainder consists of supporting personnel assigned to work directly with the acquisition workforce. The notice also makes the resulting adjustments to the table that describes the project's demographics and union representation.

DATES: This amendment is effective July 1, 2002.

SUPPLEMENTARY INFORMATION:

1. Background

OPM approved and published the project plan for the Civilian Acquisition Workforce Personnel Demonstration Project in the **Federal Register** on January 8, 1999 (Volume 64, Number 5, part VII). An amendment was published in the May 21, 2001, **Federal Register**, Volume 66, Number 98, to (1) correct discrepancies in the list of occupational series included in the project and (2) authorize managers to offer a buy-in to Federal employees entering the project

after initial implementation. A second amendment was published in the April 24, 2002, **Federal Register**, Volume 67, Number 79 to (1) make employees in the top broadband level of their career path eligible to receive a "very high" overall contribution score (OCS) and (2) reduce the minimum rating period under the Contribution-based Compensation and Appraisal System (CCAS) to 90 consecutive calendar days. This demonstration project involves hiring and appointment authorities; broadbanding; simplified classification; a contribution-based compensation and appraisal system; revised reduction-in-force procedures; academic degree and certificate training; and sabbaticals.

2. Overview

This amendment will reduce the need for future **Federal Register** amendments regarding project coverage by listing all organizations that are eligible to participate in this demonstration. Further, this amendment makes the resulting adjustments to the project's demographics and union representation.

Dated: June 26, 2002.

Office of Personnel Management.

Kay Coles James,
Director.

I. Executive Summary
