

collection of information is necessary for the proper performance of Reclamation's functions, including whether the information will have practical use; (b) the accuracy of Reclamation's estimated time and cost burdens of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, use, and clarity of the information on respondents, including increased use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Title: Summary of Water Requirements for Crops Grown on Eligible Land.

Abstract: Reclamation developed Form LS-924, Summary of Water Requirements for Crops Grown on Eligible Land, to facilitate and standardize the submission of data from the Sacramento River settlement contractors that divert water from Sacramento River sources. The information requested is required to ensure the proper implementation of 43 CFR 426.15 and the commingling provisions in the Sacramento River settlement contracts.

Description of respondents: There are approximately 44 Sacramento River settlement contractors (individual/districts) that are required to file Form LS-924 for the purpose of contract administration.

Frequency: Annually.

Estimated completion time: An average of 60 minutes per respondent.

Annual responses: 44 respondents.

Annual burden hours: 44.

Public Comments

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public disclosure in their entirety.

Submission for OMB Review; Comment Request

June 25, 2002.

The Department of Labor (DOL) has submitted the following public information collection requests (ICRs) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). A copy of each individual ICR, with applicable supporting documentation may be obtained by calling the Department of Labor. To obtain documentation contact Marlene Howze at (202) 693-4158 or Email *Howze-Marlene@dol.gov*.

Comments should be sent to Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for ESA, Office of Management and Budget, Room 10235, Washington, DC 20503 ((202) 395-7316, within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Type of Review: Extension of a currently approved collection.

Agency: Employment Standards Administration (ESA).

Title: Rehabilitation Action Report. **OMB Number:** 1215-0182.

Affected Public: Business or other for-profit; and individuals or households.

Frequency: On occasion.

Number of Respondents: 7,000.

Number of Annual Responses: 7,000.

Estimated Time Per Response: 15 minutes.

Total Burden Hours: 1,750.

Total Annualized Capital/Startup Costs: 0.

Total Annual costs (operating/maintaining systems or purchasing services): 0.

Description: Section 8104(a) of the Federal Employees' Act provides that eligible injured workers are furnished vocational rehabilitation services. The costs of these services are paid from the Employee's Compensation Fund.

Section 8111(b) provides that persons undergoing vocational rehabilitation may receive additional compensation.

The OWCP-44 is the Rehabilitation Action Report submitted to the Office of Worker's Compensation Programs by the rehabilitation counselor to report transition periods during vocational rehabilitation and to request prompt adjudication claims action. If the OWCP-44 were not utilized, delays in acting would cause waste of government funds and potential fraud and abuse.
