

with its center in approximate position 42°59.43' N, 087°52.54' W (NAD 1983).

(ii) *Expected date and time.* Second week in July; sunset to termination of display.

(22) *Kewaunee Annual Trout Festival.*

(i) *Location.* All waters and adjacent shoreline around the south breakwall area, Lake Michigan encompassed by the arc of a circle with a 560-foot radius with its center in approximate position 44°27.30' N, 087°29.46' W (NAD 1983). This safety zone will temporarily close the entrance to Kewaunee Harbor.

(ii) *Expected time and date.* Third weekend in July; sunset to termination of display.

(23) *Port Washington Fish Days Fireworks.*

(i) *Location.* All waters and adjacent shoreline around the Wisconsin Electric Coal Dock, Lake Michigan encompassed by the arc of a circle with an 840-foot radius with its center in approximate position 43°23.07' N, 087°51.55' W (NAD 1983). This safety zone will temporarily close the entrance to Port Washington Harbor.

(ii) *Expected date and time.* Third week in July; sunset to termination of display.

(24) *Menominee Waterfront Festival.*

(i) *Location.* All waters and adjacent shoreline off the southeast side of the Menominee Municipal Marina, Lake Michigan encompassed by the arc of a circle with an 840-foot radius of the fireworks launch platform with its center in approximate position 45°20.05' N, 087°36.49' W (NAD 1983).

(ii) *Expected date and time.* The Saturday following the first Thursday in August; sunset to termination of display.

(25) *Sturgeon Bay Venetian Night Fireworks.*

(i) *Location.* All waters and adjacent shoreline off the Sturgeon Bay Yacht Club, Sturgeon Bay Canal encompassed by the arc of a circle with a 350-foot radius of the fireworks launch platform with its center in approximate position 44°49.33' N, 087°23.27' W (NAD 1983). This safety zone will temporarily close down the Sturgeon Bay Canal.

(ii) *Expected date and time.* First weekend in August; 10 a.m. to termination of fireworks display.

(26) *Algoma Shanty Days Fireworks.*

(i) *Primary location.* All waters and adjacent shoreline around the south breakwall area, Lake Michigan encompassed by the arc of a circle with a 560-foot radius with its center in approximate position 44°36.22' N, 087°25.55' W (NAD 1893) forming the primary site.

(ii) *Alternate location.* All waters and adjacent shoreline encompassed by the

arc of a circle with a 560-foot radius with its center in approximate position 44°36.28' N, 087°25.54' W (NAD 1983). If display is moved to secondary site, it will temporarily close entrance to Algoma Harbor.

(iii) *Expected time and date.* Second week in August; sunset to termination of display.

(27) *Sister Bay MarinaFest—Sister Bay.*

(i) *Location.* All waters and adjacent shoreline off the town of Sister Bay, Lake Michigan encompassed by the arc of a circle with a 560-foot radius of the fireworks launch platform with its center in approximate position 45°10.60' N, 087°06.60' W (NAD 1983).

(ii) *Expected date and time.* First week in September; sunset to termination of display.

(28) *Milwaukee River Challenge—Milwaukee, WI.*

(i) *Location.* All waters and adjacent shoreline between the Humboldt Ave. Bridge (mile marker 3.22) and E. Chicago St. (mile marker 1.08) on the Milwaukee River. This safety zone will temporarily close the Milwaukee River for crew boat races.

(ii) *Expected date and time.* Third week in September; 10 a.m. to 5 p.m.

(29) *Sheboygan South High School Homecoming Fireworks.*

(i) *Location.* All waters and adjacent shoreline around the south breakwall area, Lake Michigan encompassed by the arc of a circle with a 420-foot radius with its center in approximate position 43°44.57' N, 087°42.13' W (NAD 1983). This safety zone will temporarily close the entrance to Sheboygan Harbor.

(ii) *Expected date and time.* One day in the first two weeks in October; sunset to termination of display.

(b) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene patrol personnel. Coast Guard patrol personnel include commissioned, warrant, and petty officers of the U.S. Coast Guard. Upon being hailed by a U.S. Coast Guard vessel via siren, radio, flashing light, or other means, the operator shall proceed as directed.

(3) The safety zones in this regulation are outside navigation channels and will not adversely affect shipping. In cases where shipping is affected, commercial vessels may request permission from the Captain of the Port Milwaukee to transit the safety zone. Approval will be made on a case-by-case basis. Requests must be made in advance and approved by the Captain of the Port before transits

will be authorized. The Captain of the Port may be contacted via U.S. Coast Guard Group Milwaukee on Channel 16, VHF-FM.

(c) *Enforcement period.* The Captain of the Port Milwaukee will publish at least 10 days in advance a Notice in the **Federal Register** as well as in the Ninth Coast Guard District Local Notice to Mariners the dates and times this section will be enforced.

Dated: June 24, 2002.

M.R. DeVries,

Commander, Coast Guard, Captain of the Port Milwaukee.

DEPARTMENT OF TRANSPORTATION

Coast Guard

33 CFR Part 165

CGD09-02-039

RIN 2115-AA97

Safety Zone; Saginaw River, Bay City, MI

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the Bay City Relay for Life Fireworks on August 10, 2002. This safety zone is necessary to control vessel traffic within the immediate location of the fireworks launch site and to ensure the safety of life and property during the event. This safety zone is intended to restrict vessel traffic from a portion of the Saginaw River.

DATES: This temporary final rule is effective from 10:30 p.m. until 11 p.m. on August 10, 2002.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket [CGD09-02-039] and are available for inspection or copying at U.S. Coast Guard Marine Safety Office Detroit, 110 Mt. Elliott Ave., Detroit, MI 48207, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LTJG Brandon Sullivan, U.S. Coast Guard Marine Safety Office Detroit, at (313) 568-9558.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists

for not publishing an NPRM. Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. The permit application was not received in time to publish an NPRM followed by a final rule before the effective date. Delaying this rule would be contrary to the public interest of ensuring the safety of spectators and vessels during this event and immediate action is necessary to prevent possible loss of life or property. The Coast Guard has not received any complaints or negative comments previously with regard to this event.

Background and Purpose

A temporary safety zone is necessary to ensure the safety of vessels and spectators from the hazards associated with a fireworks display. Based on recent accidents that have occurred in other Captain of the Port zones, and the explosive hazard of fireworks, the Captain of the Port Detroit has determined fireworks launches in close proximity to watercraft pose significant risks to public safety and property. The likely combination of large numbers of recreational vessels, congested waterways, darkness punctuated by bright flashes of light, alcohol use, and debris falling into the water could easily result in serious injuries or fatalities. Establishing a safety zone to control vessel movement around the location of the launch platform will help ensure the safety of persons and property at these events and help minimize the associated risk.

The safety zone will encompass all waters of the Saginaw River surrounding the fireworks launch platform bounded by the arc of a circle with a 300-yard radius with its center in approximate position 43°35'55" N, 083°53'34" W. The geographic coordinates are based upon North American Datum 1983 (NAD 83). The size of this zone was determined using the National Fire Prevention Association guidelines and local knowledge concerning wind, waves, and currents.

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on-scene patrol representative. Entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Detroit or his designated on-scene representative. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed this rule under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary. This determination is based on the minimal time that vessels will be restricted from the zone.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), the Coast Guard considered whether this rule would have a significant impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which might be small entities: The owners or operators of commercial vessels intending to transit or anchor in the activated safety zone.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This safety zone is only in effect from 10:30 p.m. until 11 p.m. the day of the event and allows vessel traffic to pass outside of the safety zone. Before the effective period, the Coast Guard will issue maritime advisories widely available to users of the Saginaw River by the Ninth Coast Guard District Local Notice to Mariners, and Marine Information Broadcasts. Facsimile broadcasts may also be made.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), the Coast Guard wants to assist small entities in understanding this rule so that they can better evaluate its effects and participate in the rulemaking process. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Marine Safety Office Detroit (see **ADDRESSES**.) Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

The Coast Guard has analyzed this rule under Executive Order 13132, Federalism, and has determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to

minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard has analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard has considered the environmental impact of this proposed rule and concluded that, under figure 2-1, paragraph (34)(g) of Commandant Instruction M16475.1D, this rule is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under ADDRESSES.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

The Coast Guard has analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that Order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05-1(g), 6.04-1, 6.04-6, 160.5; 49 CFR 1.46.

2. A new temporary § 165.T09-038 is added to read as follows:

§ 165.T09-038 Safety Zone; Saginaw River, Bay City, MI.

(a) *Location.* The safety zone will encompass all waters of the Saginaw River surrounding the fireworks launch platform bounded by the arc of a circle with a 300-yard radius with its center in approximate position 43°35'55" N, 083°53'34" W (NAD 83).

(b) *Effective time and date.* This section is effective from 10:30 p.m. until 11 p.m. on August 10, 2002.

(c) *Regulations.* In accordance with the general regulations in § 165.23 of this part, entry into this safety zone is prohibited unless authorized by the Coast Guard Captain of the Port Detroit, or his designated on-scene representative. The designated on-scene Patrol Commander may be contacted via VHF Channel 16. Section 165.23 also contains other applicable requirements.

Dated: June 24, 2002.

P.G. Gerrity,

Commander, Coast Guard, Captain of the Port Detroit.

[CGD09-02-032]

RIN 2115-AA97

Safety Zone; Festa Italiana 2002, Milwaukee, WI

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in Milwaukee's outer harbor for the Festa Italiana 2002 fireworks display and airshow. This safety zone is necessary to protect spectators and vessels from the hazards associated with the storage, preparation, and launching of fireworks. This safety zone is intended to restrict vessel traffic from a portion of Lake Michigan and in particular, outer Milwaukee Harbor, Milwaukee, Wisconsin.

DATES: This temporary rule is effective from 3:30 p.m. (local) on July 19, 2002 until 10:40 p.m. (CST) on July 21, 2002.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket [CGD09-02-032] and are available for inspection or copying at U.S. Coast Guard Marine Safety Office Milwaukee, 2420 South Lincoln Memorial Drive, Milwaukee, WI 53207 between 8 a.m. and 3:30 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LCDR Timothy Sickler, Port Operations Chief, Marine Safety Office Milwaukee, at (414) 747-7155.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The permit application did not allow sufficient time for publication of an NPRM followed by a temporary final rule effective 30 days after publication. Any delay of the effective date of this rule for the fireworks safety zone would be contrary to the public interest by exposing the public to the known dangers associated with fireworks displays and the possible loss of life, injury, and damage to property. In addition, any delay in the effective date of the safety zone for the air show would expose the public and participants to unnecessary hazards associated with low flying aircraft in close proximity to spectator vessels.

Background and Purpose

This safety zone is established to safeguard the public from the hazards associated with launching of fireworks and aircraft flying at high speeds close to the water in Milwaukee's outer Harbor. The size of the zone was determined by using previous experiences with fireworks displays in the Captain of the Port Milwaukee zone and local knowledge about wind, waves, and currents in this particular area.

The daytime safety zone will be enforced on July 20 and again on July 21, 2002 from 3:30 p.m. (local) until 4:30 p.m. (local). The daytime safety zone will consist of the following: all waters and adjacent shoreline of outer Milwaukee Harbor encompassed by the following coordinates: 43°02.17' N, 087°53.42' W, then east to 43°02.11' N, 087°53.14' W, then south to 43°01.32' N, 087°53.21' W, then west to 43°01.35' N, 087°53.43' W, then north along the shoreline to the point of origin. These
