

qualified, including evidence of experience similar to this project.

5. Budget (not scored)

The extent to which itemized budget for conducting the project, along with justification, is reasonable and consistent with stated objectives and planned program activities.

6. Human Subjects (not scored)

The applicant must state if there is a need of human subjects review and describe a plan for the review of their proposed project by an accredited review board. The CDC Institutional Review Board (IRB) will review and approve the protocol initially and on at least an annual basis until the research project is completed.

I. Other Requirements

Technical Reporting Requirements

Provide CDC with original plus two copies of

1. Semi-annual progress reports. The progress report will include a data requirement that demonstrates measures of effectiveness.

2. Financial status report, no more than 90 days after the end of the budget period.

3. Final financial and performance reports, no more than 90 days after the end of the project period.

Awardee is required to obtain an annual audit of these CDC funds (program specific audit) by a U.S. based audit firm with international branches and current license/authority in-country, and in accordance with International Accounting Standards or equivalent.

A fiscal Recipient Capability Assessment may be required, pre-award or post-award, with the potential awardee in order to review their business management and fiscal capabilities regarding the handling of U.S. Federal funds. Send all reports to the Grants Management Specialist identified in the "Where to Obtain Additional Information" section of this announcement in the application kit.

The following additional requirements are applicable to this program.

AR-1 Human Subjects

AR-7 Executive Order 12372 Review

AR-8 Public Health System Reporting Requirements

AR-10 Smoke-Free Workplace Requirements

AR-11 Healthy People 2010

AR-12 Lobbying Restrictions

AR-14 Accounting
