Final Results of Expedited Sunset Review: Certain Concrete Reinforcing Bars from Turkey

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of Expedited Sunset Reviews: Certain Concrete Reinforcing Bars from Turkey.

SUMMARY: On March 1, 2002, the Department of Commerce ("the Department") published the notice of initiation of a five-year sunset review of the antidumping duty order on reinforcing bars ("REBAR") from Turkey, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").¹ On the basis of a notice of intent to participate and adequate substantive comments filed on behalf of domestic interested parties, and inadequate response (in this case no response) from respondent interested parties, the Department determined to conduct an expedited sunset review of this antidumping duty order. As a result of this review, the Department finds that revocation of the antidumping order would be likely lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Review" section of this notice.

EFFECTIVE DATE: July 9, 2002.
