** Number of online collections projected from number of consumers who use the FTC's online complaint forms noted in the text above and in footnote 4. These figures also assume 5% annual growth over the 3-year clearance period requested.

Annual cost burden:
The cost per respondent should be negligible. Participation is voluntary, and will not require any labor expenditures by respondents. There are no capital, start-up, operation, maintenance, or other similar costs to the respondents.

GENERAL ACCOUNTING OFFICE

[Document No. JFMIP-SR-02-03]

Joint Financial Management Improvement Program (JFMIP)—Federal Financial Management System Requirements (FFMSR)

AGENCY: Joint Financial Management Improvement Program (JFMIP).

ACTION: Notice of document availability.

SUMMARY: The JFMIP is seeking public comment on an exposure draft entitled "Non-Income Tax Revenue System Requirements," dated July 2002. The draft is the first Federal Financial Management System Requirements (FFMSR) document to address standard financial requirements for Federal non-income tax revenue systems. The document is intended to assist agencies when developing, improving or evaluating revenue systems. It provides the baseline functionality that agency systems must have to support agency missions and comply with laws and regulations. When issued in final, the document will augment the existing body of FFMSR that define financial system functional requirements which are used in evaluating compliance with the Federal Financial Management Improvement Act (FFMIA) of 1996.

DATES: Comments are due by September 13, 2002.

ADDRESSES: Copies of the exposure draft have been mailed to senior financial officials and chief information officers, together with a transmittal memo listing items of interest for which JFMIP is soliciting feedback. The Exposure Draft and transmittal memo are available on the JFMIP Web site: WWW.JFMIP.GOV. Responses should be addressed to JFMIP, 1990 K Street, NW., Suite 430, Washington, DC 20006.

FOR FURTHER INFORMATION CONTACT: Daniel Costello, (202) 219-0542 or daniel.costello@gsa.gov.

SUPPLEMENTARY INFORMATION: The FFMIA of 1996 mandated that agencies implement and maintain systems that comply substantially with FFMSR,

applicable Federal accounting standards, and the U.S. Government Standard General Ledger at the transaction level. The FFMIA statute codified the JFMIP financial system requirements documents as a key benchmark that agency systems must meet to substantially comply with systems requirements provisions under FFMIA. To support the provisions outlined in the FFMIA, the JFMIP is updating obsolete requirements documents and publishing additional requirements documents. Comments received will be reviewed and the exposure draft will be revised as necessary. Publication of the final document will be mailed to agency financial officials, chief information officers, and others, and will be available on the JFMIP Web site.

An open house is scheduled for August 8, 2002, from 1 to 3 pm in the OPM main auditorium, located at 1900 E Street NW., to provide additional information on the Exposure Draft. The name, organization, telephone number, and e-mail address for attendees should be e-mailed to daniel.costello@gsa.gov or faxed to 202-219-0549.

Karen Cleary Alderman,

Executive Director, Joint Financial Management Improvement Program.

AGENCY: General Accounting Office.

ACTION: Notice.

SUMMARY: GAO is publishing Volume V of Principles of Federal Appropriations Law, second edition—known as "The Red Book." Agencies may now place advance (rider) orders for copies of this volume with GPO.

DATES: Rider order must be received by GPO no later than August 1, 2002.

SUPPLEMENTARY INFORMATION: The General Accounting Office (GAO) will shortly publish volume V of Principles of Federal Appropriations Law, second edition—also known as "The Red Book." Volume V consists of a comprehensive index and tables of authority covering all of the preceding four volumes. Volume V completes the second edition of GAO's Principles of Federal Appropriations Law.

GAO will provide one copy of this volume to the heads of federal agencies. Agencies may place advance (rider)

orders for additional copies of this volume with their account representatives at the Government Printing Office (GPO).

This notice is not intended to solicit orders from the general public for single copies or small order of this volume. GPO will offer volume V for sale to the general public at a later time.

Rider orders for Volume V should be placed on a Standard Form 1 and should specify GAO Requisition No. 200061. Agency orders for Volume V must be received by GPO no later than August 1, 2002. Rider requisitions for Volume V will not be accepted after this date, and additional copies will have to be purchased from the Superintendent of Documents. All rider requisitions must be submitted to GPO through each agency's Washington, DC, headquarters printing procurement office. We are advised that GPO will return all requisitions sent directly from field or regional offices.

In compiling your agency's total order, GAO suggests that you take into consideration the needs of legal offices, finance offices, contracting offices, libraries, Inspector General offices, field and regional offices, and any other elements of your agency that might use this publication.

Unlike the previous four volumes of this series, Volume V of Principles of Federal Appropriations Law will be printed in the "perfect-bound" format. Consequently, it will not require a binder.
