SUPPLEMENTARY INFORMATION: In the *Federal Register* of May 16, 2002 (67 FR 34942), FDA published a document entitled "Request for Comment on First Amendment Issues." In this document FDA asked the public to comment on a number of questions to help ensure that the agency's regulations, guidances, policies, and practices continue to comply with the governing First Amendment case law. Recent case law has emphasized the need for not imposing unnecessary restrictions on speech. The document also stated the agency's wish to learn what empirical evidence exists concerning, among other things, the effect of commercial speech on the public health.

The agency received three letters requesting that the agency extend the comment period for 60 days until September 30, 2002, for the submission of comments and until November 13, 2002, for the submission of responses to the comments. The three requests cited the need for additional time because of the complexity and importance of the subject matter to be commented on. The requests also stated an extension was needed to enable consultation with a variety of individuals, including social science and other experts, as well as business partners. One request pointed out that summer vacation schedules would make this consultation even more difficult. FDA has determined that it is appropriate to grant these requests. However, FDA believes that an additional 45 days will be sufficient time to allow for the consultations discussed and the preparation of comments.

Interested persons may submit to the Dockets Management Branch (see **ADDRESSES**) written or electronic comments on the document requesting comment on First Amendment issues by September 13, 2002, and responses to comments by October 28, 2002. Three copies of any comments are to be submitted, except that individuals may submit one copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Comments and responses to comments may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.

Dated: July 3, 2002.
William K. Hubbard,
Senior Associate Commissioner for Policy, Planning, and Legislation.

Office of Inspector General

Program Exclusions: June 2002

AGENCY: Office of Inspector General, HHS.

ACTION: Notice of program exclusions.

During the month of June 2002, the HHS Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under

the Medicare, Medicaid, and all Federal Health Care programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.
